Introduction

A Final Turning Point for Humanity

Dearest Brothers and Sister,

The liturgical year is about to end and the solar year, too. In the daily rush of life, many of you may have missed the **great Event**, worked by God, that is taking place within those who believe in Him, in humanity and in the creatures. **It is the evangelisation of the Earth in which the Church of Jesus Christ of the whole Universe participates, including the little remnant of the Earth that is part of the Church. In this Event, God has performed a final act for the Earth and the Universe.**

If you read and meditate the messages that we have published in the years 2018-2019, you will agree with what we say.¹ **We are all called to give a definitive, dynamic, living and responsible response to God for the benefit of all humanity.**

In the message of 7 December 2019², Mary Most Holy invited us to offer our lives to Jesus through Her Immaculate Heart on all altars of the Earth, where the Eucharist is celebrated, to attract to the living Jesus Christ all those who participate in the celebrations, wishing sincerely to mystically unite with Him. Through our irreprehensible (immaculate) offering of ourselves, we become able to live the universal communion in the Holy Spirit.

Jesus Christ, winner over Satan and death, sitting on the right hand of the Father, wants to heal, transform, resurrect and take all true children of God and all creatures to the new creation. The Church of

² See Message of Mary Most Holy of 7 December 2019, "Offering Ourselves with Mary on All Altars of the Earth".

Jesus Christ has given her response: she wants to be a living Church, and she will not allow Jesus Christ to be left alone when He offers Himself to the Father on the altars of the Earth.

In the quoted message, Mary Most Holy stated:

“This is a very important action, which will produce a great wave of graces, and a great force will rise from every altar. It will be the force of God and His people. Not only will you who are present and those who belong to the Foundation offer yourselves, but also the whole Church of the Universe will offer herself along with Me on every altar. There will be no more altars where My Son offers Himself alone, but His people will always be around Him. A river of grace will pour over the Earth.”

This offering in the Holy Spirit is universal and reaches out to recuperate the scattered and lost children of God to lead them to the new creation. Mary Most Holy also said:

“Therefore, together with the Church of the Universe, we will also offer ourselves in the pagan temples; there where it seems impossible that Christ could be present, but where His children are, who need to be awakened, elevated, nurtured and cured. In this way, you will help Me disintegrate the kingdom of Satan because the power of the One and Triune God and of the Church of the whole Universe will even rise from pagan temples. The kingdom of Satan will be emptied from within, without clamour or spectacular actions; drop by drop, day by day, the sacrifice of My Son and His people will rise up from the Earth and destroy the kingdom of the enemy.”³

The offering of yourselves to Jesus through Mary’s Immaculate Heart will not require you to suffer; on the contrary, it will make you victorious and enable you to live God’s life in fullness, to be blessed and ready to accomplish the will of the Father.⁴

Our response is not based on our human abilities; it is the work of the Holy Spirit. If we consecrate ourselves to Him, the Holy Spirit descends on each of us and on everyone, as He stated in His message of 8 December 2019.⁵

"I am the Sanctifier, the One who renders your life sacred, purifies, elevates and offers it to the Father through the Son and to the Son so that He may offer it to the Father."

He introduces God's people into the cosmic Pentecost:

"I keep the image and likeness of God alive in each of you and in the whole people. A people also has its love, intelligence and strength, which spring from the prayers, actions and choices of you all. Day by day, the path of each one consolidates the path of the people. The resurrection of one means the resurrection of all; the transformation of one means the transformation of all."⁶

It is the Holy Spirit who accomplishes the decisive act in us with our free adherence. Thus, in the message continues like this:

"Today I powerfully descend on you to consecrate you to the action and the work of God. Through you, I descend on Earth to purify it from evil. Through this little remnant and those who are connected to you — who are many more than you would think — in communion with the whole Church of Jesus Christ of the Universe, I bring the work of the Most Holy Trinity to completion. I pass beyond your limits and your insecurities and make of you an accomplished work beyond all your shortcomings. Your 'Yes' and your faithfulness are enough for Me: the decision to move forward without fear and without compromises."

Therefore, it is up to us to give an unconditional response to the action of the Holy Spirit:

⁵ See Message of the Holy Spirit of 8 December 2019, "I Come to Take Back What Belongs to Me".

⁶ Ibid

“Through you I come to Earth to take back what belongs to Me ... I come with power to give back to the Earth the love of the Father, the teachings of Jesus Christ and My will. My will translates into dynamic and powerful action, which unfolds through My people, for God always and only acts through the people.

“Be aware of all this, because I want to make use of you to reach even the last man of good will on Earth. You will be My eyes, My hands and My feet that will incessantly walk this Earth. It does not matter where you are because your spirit has no borders. Once you are immersed in Me, you become men and women without space and time as you enter different dimensions where the enemy can no longer reach you, and where all is filled with harmony, peace and goodness.”

Those who want to live without God or want to belong only formally to Christianity remain dying people.⁷

- Unwilling to see, understand, comprehend and convert in order to be healed.⁸
- Not justified since they refuse to participate in the wedding’s banquet.⁹
- Irresponsible towards the graces and gifts of God.¹⁰

However, those who wish to enter the new creation and stay with the living God will also become living people and will reign with Him.

“But blessed are your eyes because they see, and your ears because they hear. For truly I tell you, many prophets and righteous people longed to see what you see but did not see it, and to hear what you hear but did not hear it” (Mt 13,16-17 NIVUK).

⁷ See Rev 21; 22 NIVUK

⁸ See Matt 13,10-15

⁹ See Matt 22,1-14

¹⁰ See Luke 19,11-27

Jesus shows everyone the path without many interpretations:

"Then he called the crowd to him along with his disciples and said: 'Whoever wants to be my disciple must deny themselves and take up their cross and follow me. For whoever wants to save their life will lose it, but whoever loses their life for me and for the gospel will save it'" (Mk 8,34-35).

We must remain in Him in order not to wither and be burned like the branches of the vine (John 15) and follow Him to become mature. This was true for St. Peter; it is true for each of us and the whole people of God¹¹ in order to attain *"the whole measure of the fullness of Christ"* (Eph 4,13).

This is also the path of the whole Christian people that goes through the cosmic events that St. John the Apostle presents to us in the Book of Revelation:

- **God corrects the Churches and the path of the Christian people (Rev 2; 3);**
- **As a reference, he indicates the participation of the people in the Heavenly Liturgy that necessarily must go through the Lamb (Rev 5).** Those who participate in the life of the Lamb are signed and protected: *"For the Lamb at the centre of the throne will be their shepherd; he will lead them to springs of living water. And God will wipe away every tear from their eyes"* (Rev 7,17).
- **They sing a new song that no one but them can understand:** *"These are those who did not defile themselves with women, for they remained virgins. They follow the Lamb wherever he goes. They were purchased from among mankind and offered as firstfruits to God and the Lamb. No lie was found in their mouths; they are blameless"* (Rev 14,4-5).

¹¹ See John 21,15-19

- **After the final judgement comes the new creation:** *“Then I saw ‘a new heaven and a new earth,’ for the first heaven and the first earth had passed away, and there was no longer any sea. I saw the Holy City, the new Jerusalem, coming down out of heaven from God, prepared as a bride beautifully dressed for her husband. And I heard a loud voice from the throne saying, ‘Look! God’s dwelling-place is now among the people, and he will dwell with them. They will be his people, and God himself will be with them and be their God.’ He will wipe every tear from their eyes. There will be no more death or mourning or crying or pain, for the old order of things has passed away” (Rev 21,1-4).*
- **Only the living and those who live in Him and for Him will be able to enter the city of the Lamb:** *“Nothing impure will ever enter it, nor will anyone who does what is shameful or deceitful, but only those whose names are written in the Lamb’s book of life” (Rev 21,27).*

The only clear pathway is the one that God the Father has shown us:

“Christianity is not a religion; it is the transformation of life. The Christian is the new creature. The sincere offering of yourselves to My Son places you directly in the power of the Trinitarian vortex where you are continuously regenerated.”¹²

St. John the Apostle shows us the same path, inviting us to let ourselves be transformed and to participate in the life of God in order to testify to it.

“This is Christianity: not a religion but the transformation of life, the transition from death to resurrection through the offering of oneself to

Christ and the identification with His Spirit. All this introduced you into the life of Most Holy Trinity. This is the destiny of the entire humanity.¹³

The history of salvation clearly teaches us the following:

- **After original sin, the humanity of the Earth fell into forgetfulness. God rescued humanity through the righteous and the prophets. In the fullness of time, He sent the Saviour, Jesus Christ:**

“The Son is the image of the invisible God, the firstborn over all creation. For in him all things were created: things in heaven and on earth, visible and invisible, whether thrones or powers or rulers or authorities; all things have been created through him and for him. He is before all things, and in him all things hold together. And he is the head of the body, the church; he is the beginning and the firstborn from among the dead, so that in everything he might have the supremacy. For God was pleased to have all his fullness dwell in him, and through him to reconcile to himself all things, whether things on earth or things in heaven, by making peace through his blood, shed on the cross” (Col 1,15-20).

Through the Son, the Father gave us the Holy Spirit. In the name of the Father, Jesus gave the apostles the mandate to guard and continue His work. Jesus said to the apostles:

“Peace be with you! As the Father has sent me, I am sending you.’ And with that he breathed on them and said, ‘Receive the Holy Spirit. If you forgive anyone’s sins, their sins are forgiven; if you do not forgive them, they are not forgiven’” (John 20, 21-23).

- **With His absolute prerogatives as Creator, Redeemer and Sanctifier, the One and Triune God has now descended in our**

¹³ See S. Caterina, “Riscrivere la storia – Vol I – Nel pensiero di Dio”, p. 126

midst to bring His work to completion. His has accomplished a definitive turning point for humanity.

- **How can we take part in His work? In three ways:** 1) through the Immaculate Mother who generates us and offers us to Jesus; 2) by nurturing ourselves with the Eucharist; 3) by offering ourselves through Jesus in the Holy Spirit to the Father for the salvation of all.
- Then, the whole people of God becomes *living Eucharist*, and thus becomes worthy to enter the sanctuary of the Lamb.¹⁴
- **For the accomplishment of this final turning point, the Holy Spirit asked us to consecrate ourselves to Him every day of the year 2020.** Therefore, we propose you the following prayer to the Holy Spirit in order to pray united in the offering of ourselves to the Most Holy Trinity.

Each of us must decide whether we want to be living or dying people, that is, whether we want to participate fully in the life and work of Christ or to be dragged towards emptiness, despair and death. Nothing will remain in between because God will use His Trinitarian power in order to recapitulate the whole Universe in Christ. In the end, the only Sanctuary that will remain will be that of the Lamb with the faithful people who will govern with Him the entire Universe.

Choose the path of life and help the others reach eternal life. This is our wish and our hope for all of you.

Merry Christmas and a Happy New Year 2020

Holy Spirit,
descend on us.
Enlighten our spirit,
fill our souls,
strengthen our bodies.

Guide us on our path,
awaken divine wishes in us,
communicate to us Christ's thoughts
and transform us into new creatures.

Only in You
do we know and love Jesus Christ.
Through Him and with You
we discover our identity and mission
and elevate ourselves to the Father.

You remind us of Jesus' teachings,
and You help us to live them fully.
You fill us with Your seven gifts
and make us witnesses of life in Christ.

Through our Immaculate Mother
we offer ourselves to Jesus Christ
to live in You as children of God,
irreproachable and righteous,
united with all brothers and sisters
in the universal communion
to reach the new creation.

Thus, consecrated to You,
we are drawn into the Trinitarian vortex,
and we form the Mystical Body of Christ,
His Church of the Whole Universe,
messenger of salvation
for the whole creation.

Glory be to the Father, the Creator,
and to the Son, the Redeemer.
Glory be to You, Spirit of Love,
who unceasingly consecrate
those who seek the life of God
and make of us all a people of the living.

Messages 2018

The Evangelisation of the Earth

Message of Saint Michael the Archangel of 6 January 2018, Solemnity of the Epiphany of the Lord

“Dearest Brothers and Sister of the Church of Jesus Christ of the whole Universe who live on Earth,

Today the Lord sends me with His powerful blessing to prepare you for what is awaiting humanity in these times.

As you know, the evangelisation of the low universe has been completed. Actually, this statement is not completely correct because the low universe has not been completely evangelised yet. In fact, the crucial planet is missing: Earth. **The Earth has not yet seen the power of God that precedes the coming of Christ.**

The evangelisation of the remaining part of the low universe has been fruitful even though not all have converted. I want to make a clarification: you think that the faithful brothers and sisters appeared on the planets of the low universe with their fleet of spaceships in a striking way. In reality, **the faithful brothers and sisters mainly met the powerful who govern the planets and informed them about everything that God is planning to do.** They asked them for a personal conversion as this could help the conversion of their peoples. Some responded positively, especially the small and very distant planets, and those populations have easily converted. On the contrary, the response of the bigger and more advanced planets, from a scientific and technological point of view, did not respond in the same way. Their powerful leaders, especially those who belong to the Confederation of the Light, refused to convert and even misinformed and confused their peoples.

After that, the brothers and sisters met the people that the Lord indicated to them, such as individuals and small groups, and thus they began to work with them. These individuals responded and became like

yeast within their people. Even though their work remained silent and hidden, they supported the faithful brothers and sisters in the evangelisation of their own planet. **Unfortunately, not all converted. A large part of humanity did not convert and refused to welcome the voice of the Father, of the Son and of the Holy Spirit.**

Now, the Earth, a fundamental planet in the low universe, is missing. Here, too, the faithful brothers will act in the way they did on other planets: first of all, they will visit you, who have believed and worked in these years. **They will not meet the powerful of the Earth because they have already been asked plenty of times throughout history. The faithful brothers will turn directly to the people:** apart from you, they will visit individuals and small groups who are ready to welcome them.

The great manifestation of the faithful humanities, that is, of the children of God, will take place shortly before the return of Christ. God wants the people to convert by faith and by their participation in the Easter passage of Jesus Christ, not because of great signs. If it were not so and the brothers had manifested all their power on the planets they visited, it would have been too easy! All peoples have been asked to have the same faith that has been asked of you in these years.

In the middle universe things went a bit differently because those humanities had always had contact with the faithful humanities, and therefore it was not a completely new event for them.

After this little overview, let us look at the Earth. **It will be your task to evangelise the Earth,** as you have been told. Nevertheless, it is no longer the same kind of evangelisation as you have known it so far. Also, it is not the evangelisation the official Church carried out over the centuries through preaching, words, deeds and, unfortunately, even through violent compulsion. **The evangelisation I mean is the evangelisation in spirit. This means that mainly a great action in spirit is expected of you. It can only arise from your profound union with Jesus Christ through the Immaculate Heart of Mary,** in the silence of your heart, in prayer, in contemplation, in the depth of your spirit. Therefore, no frenetic activity is required of this people, nor is it

required to travel the whole planet. That has already been done on Earth, and, as you can see, without producing great results.

God wants you to put into practice all that has been explained to you; to let the Holy Spirit completely free to act in you so that He may awaken all the gifts He has placed into your souls. This can only happen if you truly offer yourselves to God and if you enter the depth of your spirit and of your calling. God does not expect great deeds of you; it will be God to do them through you. The first great work He expects from you is your faith. I will repeat once again: do not imagine that you will do great works. The faithful brothers and sisters will support you, but the evangelisation of the Earth is up to you. You have to participate fully in the action of God with the help of the faithful brothers and sisters.

Great humility is required of you to recognise that it is not you doing things but God acting through you. You are asked to live with simplicity: simplicity in your thoughts, your actions and your preaching. Do not climb the winding paths of abstract theories and long speeches as they will be of no use. What you need is few words filled with spirit; few actions filled with quality. God will support you with all His power, but now it is necessary that you go deeper. So far, you had to face many difficulties, and you had to exercise all your skills to remain standing. God appreciates your commitment; He is pleased with you and with what you have done, but now He invites you to concentrate more and more on the quality of your actions.

Therefore, do not pray to the Lord for the coming of the faithful brothers and sister, because they will come as God has promised. **Pray to understand thoroughly and deeply what kind of evangelisation is needed today** in the world you are living in and in the hectic and superficial life of your planet. **You must shine like stars and distinguish yourselves from the mentality of this world**, which takes a completely different direction towards unrestrained activism; towards living life in a rush without reflecting, where everyone expresses his ideas and no one is aware of what he says. This must not happen to you.

I call on the priests of this people to be true fathers for their brothers and sisters and to walk with determination on the path they have been taught.

I call on the people to welcome meekly God's teachings, which also reach you through the priests who are given to you and whom you have to respect and help in their mission. In this way, profoundly united with God and the fraternal communion, God will do His part. However, if you fail to do your part, even God cannot do His, because then He will have to wait again for the conversion of the Earth.

I know that you will respond because I can see your good will. We angels will be by your side. The extraordinary instruments are already oriented towards the Earth. The Central Nucleus works intensively in the great sanctuaries of the universe where God gathers the souls to prepare them. The angels concentrate their attention especially on the Earth. The faithful brothers and sisters are preparing to meet with you and the people of your planet. You have to do the same; do not ask the Lord to send you the faithful brothers but to prepare you to meet them.

The Lord will always speak to you and give you the necessary light, but now, above all, you must be simple, humble and concrete. With concrete, I mean that you must be aware of your conversion every day because **every day is an opportunity to improve your being and put it in harmony with God. I repeat: be simple, concrete, humble and docile to God's teachings.** Then the Lord will manifest His glory, as the prophet said¹⁵ and as I tell you: *"Arise, shine; for your light has come, and the glory of the Lord has risen upon you,"* and the glory of the Lord will shine.

When the evangelisation of the Earth is completed – and only God knows when this happens because only He, who searches the hearts, will know when all those He called have reached salvation – **then the great manifestation of the people of God will take place**, especially

¹⁵ See. 1st Reading of Epiphany, Isa 60,1-6

that of the faithful humanities who will reveal themselves in all their power. This will happen on Earth, but it will be visible in the entire universe. **The great work of redemption began on Earth and it will be completed on Earth: here, the Lord Jesus will come for the second time to collect all that belongs to Him and to discard all that refused Him.**

I invite you to intensive prayer. Be a united people, do not separate from each other and do not worry about your little problems. The Lord has all the power to solve your problems and to help you in your conversion, but you have to make a start. Offer everything that happens to you to God, for better or for worse, for the glory of God and His people, and you will not lack any help. Set off with the strength of God!

I bless each one of you, and through you, I bless the whole people of the Foundation¹⁶ and the people of the Earth who follow you, who are many more than you can imagine. I bless all those who are ill in spirit, soul and body. I bless you so that you may have the strength of God and the certainty of His help; in the name of the Father, and of the Son, and of the Holy Spirit.”

The Consecration to the Immaculate Heart of Mary

Message of Jesus of 7 January 2018, Baptism of the Lord

“My Dear Children,

First, I bless you and thank you for the entire path you have walked with Me, all your sacrifices, your prayers and the offering of your lives. All this is precious for the people of God.

Yesterday, practical instructions have been given to you about what is awaiting you in these times. **Today, however, I will give you directions for your inner path.**

Today your mission begins, which is the evangelisation of the Earth. It begins on the day you remember My Baptism with which I began My great public manifestation and My mission. **Your mission is, at the same time, a manifestation before all humanity of the Earth and the Universe.**

The evangelisation of the Earth is more necessary than ever because I will return to this planet and manifest Myself in My Glory. Therefore, the evangelisation of the Earth will conclude the preparation for My coming.

The faithful brothers and sisters have carried out the evangelisation of the rest of the low universe and you have supported them with your prayer and your sacrifice. Now, the contrary has to take place: **you have to set off on your mission and the faithful brothers will support you in the manner I will consider necessary for you.**

You have been told that you have to be very humble. Therefore, I tell you: do not rely on your ideas or your own human strength, as they are useless. You can see what the evangelisation of the official Church has achieved on Earth so far: the Earth is basically pagan, even those who

call themselves Christians, not to mention many priests and many other aspects that you do not know.

The true evangelisation is the manifestation of the Holy Spirit. He will act in you; therefore, do not start from yourselves but start from Me. I am the One who will evangelise the Earth through you in the way I have evangelised the low universe through the faithful brothers. I will act and you will be My instruments; not passive instruments without own will, but docile, open instruments who want to serve Me.

All this has to take place so that I can return to the Earth. St. Michael and his angelic hosts will precede you as he is the precursor. Yet, **there is one more important thing for you to understand in these times: it is the consecration to the Immaculate Heart of Mary. That is an irreplaceable and indispensable piece of the mosaic of salvation.**

Over the centuries, many saints affirmed that I came down on Earth through Mary the first time and that through Mary I will come for the second time. This is true and it will be so. **Therefore, all the people of God are called to consecrate themselves totally to the Immaculate Heart of Mary in these times.** I will not come to Earth before Her Immaculate Heart has triumphed in My people. **The triumph of the Immaculate Heart of My Mother is the indispensable prelude to My Coming. Before the coming of the faithful brothers and sisters it is necessary that the Heart of My Mother triumphs in you.**

You have often heard of Mary's work; you have thought of some particular messages of Her, and that is partly true. However, **Her work is much greater: Mary's work is to gather all Her children from all parts of the universe to offer them to Me.** This is Mary's great work which began right from Her conception. In view of Her divine motherhood and Her great work, Mary was created immaculate. Now, Her immaculateness must descend on the whole of My people. **My people will be immaculate, otherwise it will not be My people.**

You, people of the Earth, had the great privilege of having My presence in the flesh and that of Mary Most Holy, who, in the flesh, is a daughter

of your humanity. **For this reason, more than any other humanity, you are called to testify that you belong to My Mother. If you do not consecrate yourselves to My Mother, you cannot testify to Me.** Unfortunately, one of the great sins of the official Church of the Earth has been to testify to Me without adequately considering My Mother. The Church has testified to Me, but she has not testified to Her.

This must be very clear to you: **during the evangelisation of the low universe, your brothers and sisters have not only given testimony to Me but also to My Mother. All human beings must know that they have a Father, who is God, and a Mother, who is Mary Most Holy. It is absolutely indispensable that you act in the same way as the faithful brothers and sisters. Therefore, a great part of your evangelisation now consists of consecrating yourselves to Mary and letting Her act fully in you.** Mary is the Bride of the Holy Spirit. The Holy Spirit generated Me in Her womb; the Holy Spirit, together with Her, generates Me continuously in you and in all of My people. **You must have Me alive in you! This can only be through the Immaculate Heart of My Mother through whom I came to the world.**

Belonging to Mary protects you. The sign you are wearing is the symbol of My Mother's Heart from which a flame rises.¹⁷ That flame continuously purifies My people. **Through Mary you are purified and continuously placed back into grace, even if you have sinned and you are fragile and weak. The Immaculate Heart of Mary protects, purifies and elevates My people; therefore, it is necessary for you to consecrate yourselves to Her.**

They will tell you that you are fanatics and that an excessive devotion to My Mother overshadows Me. Do not believe a word of what they

¹⁷ Jesus refers to the cross that by the members of the Foundation "Fortezza dell'Immacolata" (Fortress of the Immaculate) wear. You can find a description on our homepage and in the post of November 1, 2016, "The Sign is a Cross", on the website, <https://towardsthenewcreation.com>

say. **He who loves My Mother and does Her will loves Me and does My will, for My Mother and I are one.**

From your consecration to the Immaculate Heart of Mary and the resulting powerful action of the Holy Spirit in you the great evangelisation of the Earth will begin. That is why I told you not to rely on your works. Your works will only be the result of your adherence to Me and to the Immaculate Heart of Mary.

When you consecrate yourselves to My Mother, the Father rejoices because She is His perfect and immaculate daughter; the first fruit of the new humanity. I rejoice because My Mother is glorified since She deserves all glory. The Holy Spirit rejoices because She is His Bride. **Mary is the perfect creature; the example for your life. Thus, let Her act fully within you so that Her work may be manifested and realised.** Before St. Michael comes, it will be My Mother to gather My people. St. Michael will do nothing but present to Me what My Mother has gathered. First comes My Mother and then all other creatures. Mary comes before the Archangels.

Do not worry about what you will or will not have to do. Carry on with your lives with simplicity, adoring God and serving Him through the Immaculate Heart of Mary. Live a simple life, putting in practice what you have been taught: the offering of your lives through the Immaculate Heart of Mary, immaculateness and the universal communion. The universal communion has not been fully realised in the universe because the Earth is missing. The Earth must join the rest of the people of the universe, otherwise I will not be able to gather My good wheat.

Children, you will not lack persecutions, but they will not be like the obtuse and coarse persecutions of the past. Now the persecution of Satan is more subtle and tenacious because he fears the Church of Jesus Christ of the whole Universe; until now, he has managed to delay her manifestation but now he can no longer do that. **Therefore, do not fear any persecutions. Nothing can stop My work and the work of My Mother anymore!**

Today, I bless you, and I send you on a mission to evangelise the Earth. You will be told all you need to know and all will be given to you. Do not worry about material goods or even about money. Do not worry about what you will eat or drink, what you will do or how you will behave. Leave these worries to the pagans. **You shall concentrate on the goodness, the greatness and the power of God. Concentrate on My work and you will not lack anything.** All has been given to Me by the Father.¹⁸ I can do anything, for I am almighty.

I will do whatever I want within My people and no-one will be able to stop Me. It is of no importance if you are great, small, strong or fragile; if you love Me and believe in Me and in My work, they will not be able to do anything to you. Nobody will stop you.

I bless you with the Trinitarian power. Through you, I bless the whole people of the Earth; in the name of the Father, and of the Son, and of the Holy Spirit.”

The Darkness of the Earth and the Light of the People of God

Message of Our Lady of 25 February 2018

“Dearest Children,

I greet all of you who have been here in these days, those who are here today and those who are not present but spiritually united with you. **I would like to thank you for the commitment you have made and the seriousness you have shown in this time.**

I would like to tell you, My children, that the people of God has to become more and more visible, for this is the only salvation for humanity. All children of God who seek life will be able to converge in this people.

I also tell you that dense darkness is about to enfold the entire humanity. I do not mean the physical darkness but that of the spirit: more and more the souls will lose their faith, hope and love. You may notice already now that the Earth is living without faith, hope and love. **Even though there is a lot of nice talk about love, love does not exist. The love that is capable of climbing the cross for others, capable of sacrifice, selflessness and generosity does not exist.**

Darkness must come down to Earth, otherwise the light of the people of God cannot fully manifest itself. In the midst of the darkness, from the cloud that will enfold humanity, the voice of the Father will be heard saying: *“This is My people. Follow it, listen to it, become part of it.”*

My Son said that the time will come in which even the sun will darken; it will no longer give its light.¹⁹ What did He mean? He wanted to say that for many men the face of God will darken, for the sun is

¹⁹ See Matt 24, 29

the face of God and, unfortunately, many of His children will no longer see it. Therefore, His face must shine in each one of you and in this entire people. On your face the light of the sun that is God must shine in each one of you and in your midst. The people who are generous and of good will will see that light and move towards it.

The Earth is now the centre of many events and the darkness I am talking about will be visible in the entire universe. Many have spoken about darkness, about three days of darkness on Earth; they have advised you to stock up with candles, but it is not about that. **In the middle of darkness the only Light able to enlighten the people will have to shine: the Light of God. You will not need candles; you will need faith, hope and love, which you will have to communicate to many poor, lost children of God.**

I do not want to scare you but remind you of your responsibility. You will see great suffering, not only of the people but also of creation. Nature is, in fact, overwhelmed, crushed by the arrogance, selfishness and exploitation of man, and it is rising up against all this. Even today you can see how many disasters are striking you, and many are still to come. Wars and hatred will increase. **When the face of God no longer shines for many men, the darkness will descend on Earth.**

Therefore, My children, I supplicate you: let God's Sun enlighten you; let His Light shine inside of you. I would like to use all of you to make the light of life shine in favour of many of my children who no longer see it. You do not have to do great things or be particularly intelligent, wise or capable. You only have to be humble and simple like little flowers that do nothing special but open up to the sun; they just open up, and that is all. **Open up to God's Love!**

I bless you and I am close to you in everything. I incessantly ask My and your Lord to let His Light shine for you and in you, and I bless you in the name of the Father, and of the Son, and of the Holy Spirit."

The Kingdom of God is among you

Dearest Brothers and Sisters,

There is still some instability on our website as it continues to be attacked.²⁰ This urges us to live and spread the universal message of salvation, which has been entrusted to us and you have known in the past years, with ever greater responsibility.

On our part, we are ever more committed to pass on to you what we receive. Therefore, we will share with you the message of Our Lady of 13 May 2018, which reveals the nature and modality of the evangelisation of the Earth and the manifestation of the Kingdom of God in these times.

We believe that there will always be tension around our website due to the content published, which evidently disturbs some people, and therefore we ask you to help us as good as possible to testify and pass on what we have announced to this day and will continue to announce. We are sure that we can count on your collaboration and we thank you already now for your support.

As you may have noticed, the confusion on Earth is increasing day by day. Therefore, it is essential for all of us to be rooted more and more in the life of the Most Holy Trinity. This will prevent us from being carried away by the events of the world and enable us to recognise the things to do and the path to walk both as individuals and as humanity.

Always united with you in prayer and through the offering of our lives to God we great and bless you, wishing you all the best.

Message of Our Lady of 13 May 2018, Ascension of Our Lord and Feast of the Blessed Virgin Mary of Fatima

“Dearest Children,

Today I simply want to bless you and thank you for the whole path you have done with Me in the past years, which reaches its accomplishment in the words that you have heard.²¹

The Church of Jesus Christ of the universe is not an invention or a utopia but a reality that is already living in the universe and within each one of you and that will live and establish itself also on Earth. I do not mean that this will occur with power and clamour; this Church will establish herself like the Kingdom of God, which comes silently but powerfully into the hearts.

I tell you with joy that the Kingdom of God is among you; it is in the hearts of all those who believe in My Son Jesus and let themselves be guided by Him to the fullness of life. **Those who welcome the Trinity and live for the Trinity together with Me are already part of this Church which affirms the power and the life of God in the universe.**

With the official proclamation of the existence of this Church, which you will make in these days, the evangelisation of the Earth will also powerfully start. This evangelisation does not occur with great actions and great theories but through the silent and continuous spreading of life from spirit to spirit until a people is formed that lives and proclaims that Jesus Christ is the Lord of Heaven, Earth, the universe and all abysses. **My Son is the King; He is the Lord of your life and of the whole universe.**

Children, on this day, in which you celebrate the Ascension of My Son, I ask you to let your hearts ascend with Him. Leave the preoccupations of the world; leave the things that bind, worry and exhaust you; leave

²¹ On this day Tomislav Vlašić and Stefania Caterina have proclaimed the central points of the mission of the “Church of Jesus Christ of the Universe” to the people.

them in the hands of God. **Leave to the world what belongs to the world and turn your hearts to Heaven, where Almighty God lives, in the dimension without borders, without barriers and without pain. God will take care of you; God will provide for you** because He knows that as humans you still need many things. God will provide for you. He has all the power to provide for you, for it is Him who keeps you alive, who protects, feeds and dresses you. Like the birds in the sky and the lilies in the field, so are you.²²

Therefore, My children, walk with Me towards the freedom of the children of God. Do not be concerned about anything except belonging to God. Do your duty as men, citizens, fathers and mothers but do not attach your heart to these things because **everything passes, children, only God remains.**

I bless you, I protect you and I accompany you, in the name of the Father, and of the Son, and of the Holy Spirit.”

My People, take care of my sheep!

Dearest Brothers and Sisters,

As we have already told you, we will follow you and pray for you in the time opening up before us; we will pass on to you all that the Lord reveals to us. Therefore, we will share with you Jesus' message of 18 May that we received through Stefania at the beginning of our conference on the occasion of the Solemnity of Pentecost. There are two more messages to come: one of the Holy Spirit and one of God the Father, of 19 and 20 May, respectively, also given on the occasion of the aforementioned conference.

Through these three messages, the Most Holy Trinity clarified the contents of what the Church of Jesus Christ of the universe must live and transmit through the evangelisation.

We greet and bless you, offering ourselves to the Most Holy Trinity for you.

Message of Jesus of 18 May 2018

"Dearest Children,

I embrace each one of you and I bless you.

You have reached the vigil of a great event, awaited for millennia by My Holy Mother and by all the saints: the manifestation of the Kingdom of God. The Kingdom of God manifests itself through its people, that is, its Church. In these years, you have understood that you are a priestly, royal and prophetic people. Now all this must manifest itself.

I send you into the world to collect My lost sheep. To you, My people, I say: 'Take care of my sheep'.²³ There are many lost sheep on the Earth: little, delicate, humble and hidden souls. They are hiding in bushes, in caves, among the thorns of the world. These sheep must hear the voice of My people; thus, they will be able to orient themselves towards the House of God, His Church. **You are the Church of the whole universe, and many souls are waiting to listen to the voice of this Church of Mine.**

I send you, poor of human means but rich in graces. I send you with the smile of My Mother on your face. Thus, the lost sheep will come out of their hidings and fill the House of God. **I ask you for nothing but to manifest My joyful life.**

Today, I take all your sufferings upon Me on this altar. I raise your tears to My Father; the tears of the righteous that wash the Earth.

I thank you for the path you have walked and for the courage you have shown. **Do not be afraid of anything because no one can snatch you out of My hands.²⁴** If they do not understand you or put you out of their synagogues, do not be afraid. **Wherever you go, you will be My Church, the Church of Jesus Christ of the universe.**

I send you as Church into the world but, at the same time, you will be present in spirit in the whole universe, and the whole universe will be close to you. Do not fear! None of you is alone, nobody is forgotten. **All of you, wherever you are, will be My Church.**

I repeat to you once again: My people, take care of my sheep!

I bless you with the whole Trinitarian power, in the name of the Father, and of the Son, and of the Holy Spirit."

The Seal of the Most Holy Trinity

Dearest Brothers and Sisters,

What is the Church of Jesus Christ of the universe? This question is answered by the Holy Spirit in the message we share with you today and of which we will sum up the most important points.

This Church is “one and indivisible in the whole universe”. The children of God, in fact, cannot be divided because their God, even though Three Persons, is united in the same nature. It is the One and Triune God. So, the children of God unite with each other in the Holy Spirit through the Son Jesus Christ to be elevated to the Father.

The Church we are talking about is the same one Jesus Christ founded, remained faithful through history and is destined to unite mystically with Christ in order to become a valid and capable instrument for the recapitulation of the whole creation in Jesus Christ. It prepares and awaits the second coming of the Lord to enter with Him the new creation promised by God.²⁵

This Church includes the believers in Christ of the whole universe; she is the pilgrim, purging and glorious Church. God draws her together from all corners of the universe to guide her *“until we all reach unity in the faith and in the knowledge of the Son of God and become mature, attaining to the whole measure of the fullness of Christ”*.²⁶ He makes her powerful to defeat the evil forces, which manifest themselves, in this time, mainly through the action of the Antichrist and the False Prophet.

The Most Holy Trinity renews its seal on those who have remained faithful through the millennia and on those who decide to be faithful

²⁵ See 2 Peter 3; Rev 21; 22 NIVUK (New International Version-UK)

followers of Jesus Christ, living according to the mind of God like St. Peter.²⁷

Wishing you a fruitful reading of the message, we greet and bless you.

Message of the Holy Spirit of 19 May 2018, Vigil of Pentecost

“Dearest Children,

I bless you and I thank you for being here today. Over the past few years we have walked together and you have been instructed. **Everything that Jesus taught His apostles has been entirely transmitted to you; you have welcomed these teachings and want to live them.**

As you know, the apostles could not transmit to the early Church all they had received. **After the death of the apostles and the first generations many things changed in the Church. The Church moved towards the power of the Earth becoming herself a structure of power, a power among the other powers of the Earth.**

However, over the centuries, a little remnant remained faithful, preserving completely the teachings of the apostles and transmitting them to others as best as they could. Unfortunately, this little Church has always been persecuted and could not make her voice heard; she lived in the catacombs. This silent and hidden Church has given the world saints, martyrs and prophets who gave their blood for the sake of Christ. God has guarded and protected her like a flower under the snow. **Now the time has come for this Church to come to light, for she is the real Church of Christ. She holds in herself the holiness of the whole history of Christianity and the prayers, the sacrifices and the tears of many saints.**

²⁷ See Matt 16,17

God has chosen this time and this people on Earth to openly manifest His Church: one and indivisible in the whole universe.

Through history God has kept the communion of the faithful humanities and the small, hidden Church of Christ alive: however, **only to you, in this time, the fullness of the revelation has been given, which is this: Jesus Christ died and resurrected for the men and women of the whole universe. From His Side, the Church of the universe was born; from the womb of the Blessed Virgin Mary, life has come down on the Church. From now on, in the eyes of God, this will be the only Church of the Earth and the universe. I will act in all souls of good will on Earth and in the universe to guide them to this Church; no one will be forgotten.**

Nothing hypocritical will enter this Church. No ambitious; no one who aspires at positions of honour will be able to take part in this Church. **It will be a simple and humble Church; poor in material means but rich in grace and doctrine;** capable of attracting the souls who love God and wish to serve Jesus Christ and bear witness to Him.

All that does not belong to this Church is destined to disappear. No one dare to profane this Church! Whoever seeks to destroy her, will be destroyed. Whoever seeks to stop her, will be stopped. Woe to you, Lucifer, if you dare to touch this Church!

My children, I ask you only for one thing: remain simple, humble and faithful. Be faithful to all you have learnt over the past years; be faithful to the experiences you have made. You will need no other teachings. Times of great confusion will come, but if you remain faithful to what you have learnt, the confusion will not touch you. **I will protect you and I will always be with you.**

In this solemn celebration, I will descend on you who are present and on those who join these programmes but are not here now; I descend on those who are united with this Church through you. **I will impress the seal of the Most Holy Trinity on everyone. It will be visible to all the children of God and attract them to Christ's Heart, keeping away**

the enemies. Be brave, be strong! The One and Triune God will not fail to accomplish His work in each one of you and His whole Church of the universe.

I bless you with the Trinitarian power, in the name of the Father, and of the Son, and of the Holy Spirit.”

The Time of Life

Dearest Brothers and Sisters,

Today we present you the message of God the Father. It is a page full of content, which explains the meaning of God's life in us and our responsibility towards it both for ourselves and for the whole universe. In this way the service of the Church of Christ expresses itself, which leads humanity to submit to the laws of Life so that every creature may be healed.

Let us not forget the words that God the Father addressed to us on 24 February 2010: *"Christianity is not a religion; it is the transformation of life. The Christian is a new creature. When you offer yourselves sincerely to God, My Son places you directly into the power of the Trinitarian vortex where you are constantly regenerated."*

In the same message God the Father also said: *"You become new creatures only if you receive My life in you. All other attempts to change yourselves outside of Me are bound to fail."*²⁸

The Church of the universe involves everything, even the Earth, in a process of transformation in which we are all called to participate.

We wish you a pleasant reading, and we greet and bless you.

Message of God the Father of 20 May 2018, Solemnity of Pentecost

"My dear Children, My Church,

I bless you and embrace you all. **I thank you for the path you have walked and for your decision to be the Church of Jesus Christ of the universe that belongs to the Most Holy Trinity.**

My children, I have given life to you, and life is your greatest treasure. A new time is beginning for the whole humanity of the universe: the time of life. Death will be expelled from the whole creation. I will make everything new through My Son Jesus Christ in the Holy Spirit.

The Church of Jesus Christ of the Universe has descended from Heaven through My Son and continues to come down through His Heart. She will descend again in all her power at the end of times. When My Son returns to Earth, the whole universe will see Him. He will come to collect what the Church has sown. The Church sows life, and life will sprout in the whole universe; My Son will come to collect the fruits. All that belongs to death will be left to Lucifer, the lord of death. You, children, belong to Heaven, and I have foreseen you for this time from eternity.

Now I expect two things from you: the first is that I want you to consider your life a sublime gift. If you do not consider your life as a gift, you cannot sow life. Even when you suffer or when you are ill, life continues to be a gift because through My Son Jesus every cross becomes resurrection and life defeats death. Therefore, children, love your life! To the extent that you love God's life in you, through you, life will spread not only over the Earth, but also over all dimensions of the universe, for there are no boundaries in spirit. Who can stop life? Who can stop a river flowing to the sea? You are a flowing river; it pours out from the spring and flows into the sea of life.

The second thing I expect from you is that you give My Life generously to everyone you meet. Long sermons or great words are not necessary. Life does not need great means because it has all the power to assert

itself. A smile is enough to communicate life, but it has to be a sincere smile. **Life is born and transmitted in sincerity. Eliminate all hypocrisy from yourselves, and this Church will be powerful; My Life will rest in each of you and among you. This is the Kingdom of God: life that asserts itself beyond death.**

I send you out to sow My Life. Many will welcome you; many will refuse you, but do not fear. The success does not lie in the conversion of great masses. **I do not expect great numbers; I expect My Life to triumphs.** Those who refuse you will be judged by God. Do not judge anyone but continue to sow life and life will sprout.

Today I bless you with the blessing of life so that your mission may begin. You have been generated by love and are destined to live in love. Love is life and life is also love. Go and sow My Life.

I bless you in the name of the Father, and of the Son, and of The Holy Spirit.”

Do not Forget that You Are Children of God

Dearest Brothers and Sisters,

During the conference that we held in recent days in preparation for the solemnity of the Father that we are celebrating today, we have received the following message from Jesus. We want to share it with you, wishing you that the Heavenly Father may fill you with peace and blessing. We accompany you as always with our prayers.

Message of Jesus of 4 August 2018

“Dearest Children,

I bless you and I want to tell you that I love you immensely. This love led Me to die and rise again for you. United with Me, you, too, can die and rise again in every trial of your life.

Children, I died and rose again to make you children of God. Do not forget that you are children of God and that this is the first victory you obtain in Me. The Christians often believe that being children of God is just a saying, but that is not true. **The children of God stay face to face to God and receive honour and dignity from God.** If you are in God, through Me who am the Son of God, you honour the Father, and the Father honours you, giving you to Me and giving you the Holy Spirit in My name. **I wish you understood what this means; what it means to be surrounded by the love and the honour of God.**

Nowadays, the world has forgotten that the children of God exist; it sees them very rarely. The Christians live a superficial religiosity. There is certainly no lack of saints, but they are not visible: no one honours a saint anymore; no one places a saint before a camera to let

him/her speak. People prefer to admire idols. **I need to send you into the world as children of God.**

But what do the children of God have to do? They have to declare to be children of God and beware of hypocrisy. I repeat to you what I said to the apostles: *'Be on your guard against the yeast of the Pharisees, which is hypocrisy.'*²⁹

The world is full of hypocrisy. It is the yeast that puffs up the Earth. **I want you to be sincere and open to Me, ready to receive the Holy Spirit in My Name to honour the Father with Me and to receive the honour of the children of God.** You are also My brothers and sisters, the children of My Father. **Therefore, when the Father sees Me in you, He honours you, and the honour of the Father is always only one: the fullness of life; happiness.** The honour God gives you does not consist of money, success, material gifts or even affection; it is **the fullness of life, which carries all within, even love, strength, intelligence and goodness.**

You have proclaimed to be part of the Church of the universe. **Therefore, I send you out as children of God and children of this Church who live in faith rather than religiosity. Leave any religiosity, any superficial devotion and immerse yourselves in living faith, in the living God, and you will not lack anything.** The Father's greatest wish is the happiness, harmony and beauty of His children; the divine beauty that is imprinted in you. **All this cannot take place if you do not consider yourselves children of God who have died and risen with Me.**

You talk a lot about the Easter passage. You are going through it in all the time together with Me. **In every trial, great or small, and in every situation, I am with you; I take you by the hand and make you pass from death to life. This is the victory of the children of God.** The world does not know this victory. **The world cannot defeat death, but the children of God can. I firmly invite you to become aware of the fact**

²⁹ See Luke 12,1

that you are children of God. With this consciousness, you begin to reject evil, disease and infirmity. You begin to remove the spirit of evil from you, from your homes, from your families and from the places where you live. You are children of God and have the power to do it, but you cannot do it without this awareness.

I do not want you to suffer evil but to defeat it in My Name; not with spiritual pride or through some charismas, but **with the power of the children of God. This will be the evangelisation of the Earth: the great manifestation of the children of God. It will culminate in the open manifestation of your brothers of the universe faithful to God here on Earth. After that I will come.**

When the children of God have fully manifested themselves in their whole power, I will come, and I will not be late. I ask you therefore to be children of God. Let the seal of the Trinity imprinted in you be opened by faith, hope, love and incessant prayer for all humanity. Then your glory of children of God and the glory of God will shine in you.

I bless you in the name of the Father, and of the Son, and of the Holy Spirit.”

This People Must Manifest the Power of God

*Message of Saint Michael the Archangel of 29 September 2018,
Solemnity of the seven great Archangels*

“Dearest Brothers and Sisters,

First of all, I want to thank you for the path we have walked together in these years. **We, the seven Archangels, have been a blessing for you as you have been for us. There are no differences within the people of God.** There are differences in terms of service and structure – I am a pure spirit and you are made of flesh – but there are neither hierarchies nor preferences before the eyes of God. **During the last years, you and we have been one thing before God; I thank you for this.**

I would like to tell you that **a time is coming when there will be gradually fewer words, but the progress and the works accomplished by this people will increase.** I am speaking about the people of the Earth, but I’m also referring to the whole people of the universe and the Church of Jesus Christ that has to make a great leap forward in this time. **God has planned to let His Church strongly grow in order to contrast all that Lucifer is doing in the universe,** particularly, through the Antichrist, the False Prophet and the Confederation of the Light. **The Church of Jesus Christ must stand well above the people of the darkness. This is especially true for the Earth as it will be the scenario of the last great battle between the spirits.**

You are truly immersed in an apocalyptic scenario. This must not scare you because you are not alone: **the whole Church of Jesus Christ of the universe watches the Earth and comes to rescue the people of the Earth.**

The people of the Earth must do a leap forward. They must manifest the power of God, not only with words but also with their life, their deeds and also the signs and wonders that the Lord will do in your midst. Just as He did at the beginning of the Church on Earth, so He will

do with you. Therefore, **do not be surprised about what will happen to you, because the signs, the miracles and the healings are not reserved for the saints but occur regularly among the people of God, for God works in the midst of His people in an ordinary and in an extraordinary way.** This is not to say that you should run after extraordinary signs; **I mean that you must welcome everything that God will give you,** even the trials that you will certainly have to face. All trials, however, will only make you grow; **all that God allows in this time will be for your growth and the growth of the whole Church of Jesus Christ in the universe.**

I ask you to begin to listen deeply to the grace God will give you; a powerful grace for the growth of His Church. Put your spirit, your soul and your body at God's disposal for all that the Lord wants to accomplish in your midst.

You will no longer receive as many messages and words as has happened so far, because you have already received everything. All that will be said to you from now on will be a deepening, a help, when God considers it necessary. If we Archangels spoke continuously, we would prevent you from growing. **Now you have to dig into the treasure of your heart and put into practice what you have received,** each of you in the place where you are and where the Lord calls you. Thus, what you do will have repercussions on the entire Church of the universe and vice versa.

In communion with the Archangels, the angels and the extraordinary instruments and on behalf of the whole people of God I bless you and I protect you; in the name of the Father, and of the Son, and of the Holy Spirit."

The Glorious Coming of Jesus Christ and the Entry of the People into the New Creation

Introduction

The apparitions of Our Lady in Medjugorje are known in the whole world and have involved a large number of people. On 24 June 1981, the Mother of God presented Herself to the world as the Queen of Peace, and since then She appears every day. This is witnessed by six visionaries who also say that these are the last Marian apparitions on Earth.

Based on this, we may conclude that Our Lady is present amongst us, offering us Her special graces for these times in regard to the events that affect humanity. Therefore, it is reasonable and appropriate to reflect on this matter, ask questions and, first of all, respond to the invitation of the Queen of Peace.

Two particular events have occurred this year, 2018:

- 1. On 20 May we have proclaimed the existence and the work of “the Church of Jesus Christ of the Whole Universe” which is one, holy and apostolic.** We have communicated to you the messages and testimonies of the Father, the Son and the Holy Spirit, which we received through Stefania Caterina. We have also shared with you the testimony of the people of the Foundation “Fortress of the Immaculate”, based on the unconditional offering of their life to the Immaculate Heart of Mary after years of pathway guided by the Queen of Peace.
- 2. Only a few days later, on 31 May, the Pope appointed Archbishop Henryk Hoser, Bishop Emeritus of Poland, for an indefinite time as apostolic visitor with special mandate for the parish of Medjugorje.** An exclusively pastoral mission aimed at accompanying the parish community and the pilgrims.

This means that the Archbishop's mission does not concern the doctrinal questions in regard to the apparitions. He has repeatedly declared that he cannot express a judgment about the apparitions as that is not part of his responsibility.

The final judgment about the apparitions of Medjugorje rests with the Pope. The final report of the commission that investigated on the events of Medjugorje was handed over to him quite a long time ago. According to what is known unofficially, the commission approves only the first seven apparitions of Our Lady. All this shows that **the official Church has not given a clear response to the EVENT of Medjugorje**. It seems that it has been put on hold so that it may be forgotten over the years or even centuries.

On the contrary, we do not want to forget what the Mother of God has accomplished through the apparitions of Medjugorje. We do not want the memory of this event to be extinguished, as it has marked a very important stage of the history of humanity. Therefore, through a cycle of reflections, we will try to inform you more deeply about the *story of Medjugorje*, also in the light of what has been revealed to us in many years. We turn to you and to those who believe in the authenticity of the apparitions of Medjugorje; to those who have followed us in these years and believe in the existence of the Church of Jesus Christ of the whole universe and want to give a response to the truth.

In several episodes we will present you some events that have involved the Church of the Earth and the whole of humanity. We will try to give you a framework for your own personal discernment and your response to God. At all times and in many places, God sent His Mother, Mary Most Holy; at all times, God asked for the full collaboration of the Church and humanity in this grace. So, let us start with our reflection.

Overview of the events

“From the coming of Jesus Christ to now many changes have occurred in the universe. The first phase was from Pentecost to the great Jubilee proclaimed by the Catholic Church in the year 2000 when the third millennium of your history began, according to the calendar of the Earth. In this phase the consolidation of the Church of the Earth and the spreading of Christianity took place on your planet.

The second phase is still ongoing; it began in the year 2000 of the Earth and will end with the glorious coming of Christ and the entrance of the people of God in the new creation. In this phase God has been increasingly strengthening His action. The entire universe is heading towards the event that will mark the end of times and the beginning of the new creation: the glorious return of Christ.”³⁰

In the message of Our Lady of 25 May 2013 to Stefania Caterina, Our Lady briefly outlined the purpose of Her apparitions:

“Dearest Children, I would like to deepen with you the plan of God of which I have spoken many times in my apparitions, particularly, in Medjugorje. It is a plan that originates from eternity, from the moment when original sin was committed (Gen 3). From that moment, in fact, God has put in place His plan to recapitulate everything in Jesus Christ, in order to save the whole humanity and lead it back to Himself.”

In the same message, the Blessed Mother stated that the apparitions in Fatima and those in Medjugorje were closely linked to each other, and She added:

“I will stay with you until the hearts of the Christians open up, at least partially, to understand the reality of the universe as it is in God; until the Church shows the intention to proclaim this truth. If this occurs, My apparitions will end. If this does not occur, My apparitions will equally

³⁰ See “Rewriting History – Vol. II – The Universe and Its Inhabitants”, page 213, Ed. Luci dell’Esodo

*end because, at that point, there will be nothing more to say for Me further than what I have told you over the centuries. **The apparitions of Medjugorje are My last apparitions on Earth; there will be no others.***

We will stop here for now. We will continue with our reflections to further develop this historical framework. In the meantime, we will share, for your reflection, the message Our Lady gave to Stefania Caterina on 6 January 2017, from which our path clearly emerges. It is nothing new as it is the Christian path of all times, but today it is more necessary than ever due to the alarming situation in which our humanity finds itself.

We always accompany you with our prayer and our blessing.

Participate in My Offering and I Will Participate in Yours

“My Dear Children,

I want to be with you today because for the people of God a very challenging time is about to begin. Yesterday, important things have been said to you and I will not repeat them. Instead, I would like to tell you that I love you and that I am by your side. Each step you do, you will do it with Me.

Jesus wants to manifest Himself as the only Saviour of humanity. He has already done it when He came as man, but He was not accepted. However, God does not leave His work half finished; therefore, Jesus will return to manifest Himself, and, this time, He will do it in His glory. Neither sin nor death will be able to harm Him in any way.

His people must anticipate His manifestation as happened to Me. Before Jesus openly manifested to the people of Israel, He manifested in My womb where He began to live and act. John the Baptist could feel Him in My womb. When I showed Him to the brothers who came from space, the ones you call the Three Wise Men, I only fulfilled My mission: to manifest My Son to the all humanity. I had already done so with the shepherds, the first nucleus on Earth, a small and humble people, to whom Jesus had manifested Himself.

Today the same must occur within the people: I manifest Jesus to you so that you manifest Him to others. First of all, you have to reveal Him within you and within this people, for this is the place where Jesus wants to manifest Himself. My Son said that rivers of living water will flow from within you.³¹ **He is the river of life, and you have to manifest Him to others. I count on you to generate the Son of God together with Me and show Him to the world in the way I showed Him to the shepherds, and to show Him to the universe in the way I showed Him to the Wise Men.**

Kings used to bring gifts to other kings. That was the custom at that time. All of you have to bring gifts to the King of kings. **The greatest gift that Jesus expects from you is your life. Your life contains everything: faith, hope and love. This is what God expects from you and I expect that, too.**

I continuously transmit Jesus' love to you. **Know, children, that no creature has pure love in its heart without receiving it as a gift from God. You must ask Jesus to give you true love.** Do not set off with your human love. Satan will act with all his hatred; therefore, the people will have to act with the whole love of Jesus. Jesus has given His life for His people, and there is no greater love than this. **If you give your life to God for your brothers and sisters, no force of darkness will be able to defeat you.**

³¹ John 7,37-38

I will always be by your side; I will pray and offer Myself for you so that the Lord may fill you with His love. Give all your prayers, your intentions, your thoughts and your wishes to Me; I will remove all egoism from them and present them to God, and I will only ask for what is good for you. I ask you to participate in My offering and I will participate in yours. I am your Mother and the Mother of God, and I want to lead you all to My Son's Heart so that He may take you to the new creation.

I bless you with all the power God gives Me for you together with St. Joseph who is always at my side, interceding with Me for you; in the name of the Father, and of the Son and of the Holy Spirit."

Prepare a Place for Me in Your Heart

Message of Jesus of 27 October 2018

“Dearest Children,

Now, after the days that you have spent together, I want to bless you and renew in you the seal of the Most Holy Trinity that you have received and that I, as the High Priest, can open in each one of you.

You have been told to prepare a place in your houses, but I ask you for more: **prepare a place for Me in your hearts. My Heart desires to beat in your hearts. This is the meaning of the Eucharist: I enter into you and become flesh and blood in you; My Heart beats in your hearts, and your hearts beat in Mine.** I do not forget anyone of you, and I know everything of you. I know your joys and your tears. Nothing is unknown to Me.

Prepare a place for Me in your hearts as I want to live in the hearts of this people!

This is not a romantic image but the reality of Christianity: **I live in you and I act in you; I touch the world that is within you. Through you I also touch the world that surrounds you and the whole universe.**³² I promise you that if you are ready to give Me everything, you will be, ‘*A town built on a hill*’, which, ‘*cannot be hidden*’.³³ **Many people will come to you and speak of you as they know that I am present among you.**

I am in your midst and I want to gather my lost sheep through you. Help Me gather My lost sheep! Inside of you My Heart beats for each lost sheep. Therefore, be a people full of goodness, mercy and love for

³² See Gal 2,20

³³ See Matt 5,14

all, even for those who seem very far. **No one is so far away that My Love cannot reach him.**

This is what I expect from you. I do not expect great speeches or works: I expect you to have a heart capable of beating for every child of God.

I will be with you, and I will confirm you in all you do. I will also confirm you with miracles. The time of miracles has come for this people. However, always remember that the greatest miracle is My Heart beating within you.

I bless you; I protect and accompany you on all the paths you will walk; in the name of the Father, and of the Son, and of the Holy Spirit.”

I Generate You as I Am Your Mother

Message of Our Lady of 1 January 2019, Solemnity of Mary Most Holy, Mother of God

“Dearest Children,

I wish you Happy New Year; a year filled with God and His peace. Children, the beginning of a new year is like a big, white page on which God will, once again, write your history and the history of the humanity of Earth. **It is My wish that My children enter more and more into the depth of the Christian path in this year.**

I am your Mother and I continuously generate you, and I still have to generate many children. This is My task: to carry many children in My Heart to generate them for God. I have always done this, and I will always do it until the end of times.

St. Michael will guide all the peoples that I have gathered in My womb. **St. Michael will take all the peoples that I have generated with My love to My Son; however, it is Me who generates you as I am your Mother.** I ask you to allow Me to generate you.

Children, there is more and more uproar, internal and external noise and great confusion in the world. In the midst of all this, the people of God must shine and enter more and more into divine silence. It is in the silence that God creates your life. I am not saying that you must not speak, on the contrary, you have to continue to announce salvation but not with the noise of the world, great works or great proclamations, but with the words that come out of the fullness of your heart, from a spirit that is always pure and always new.

If you give Me your life, I regenerate you continuously. Then your words will be words of life, gushing fresh like an everlasting spring. **Therefore, I invite you to deepen your path in silence, cherishing the**

teachings that have been given to you, as I have already explained to you.

The people of God will increase in the whole universe, for no one can stop them anymore, and the same will happen on Earth. **There are many children on Earth waiting for a signal to wake up. Therefore, I need all instruments like each of you, the Foundation and the whole of this people so that they may awaken My children and bring them to Me and I may take them to God. I ask you, therefore, to support Me in My work.** For this reason, children, I repeat: do not rush into external activities; do not act like the Pharisees who travelled thousands of kilometres to proselytise, and yet failed to recognise My Son.³⁴

I ask you to be ever more united to Me; to move forward with confidence, in silence, in the truth, in the love and peace of God. I ask you to do those few things that are really needed; you do not need many things; you need the power of the Holy Spirit, and I invite you to seek this power with Me. I will prepare you so that the evangelisation of the Earth may proceed according to God's will. I will shape you like a mother prepares her daughter for the wedding; she adorns her and dresses her in shining garments. This is what I do with My people: I prepare them for the wedding with the King of kings.

The Lord will not come before I have given birth to all the children that I have to give birth to. I will do it with your help. Stay close to Me and I will stay close to you. I will send you the angels, for the Lord has bestowed Me with the grace and the power to send them where I want.

Remain united with Me, St. Michael and all the extraordinary instruments. Move forward with simplicity but with all the power of the Spirit. I bless you, in the name of the Father, and of the Son, and of the Holy Spirit."

The Power of the Trinitarian Vortex

Message of Jesus of 20 April 2019, Easter Vigil

“Dearest Children,

I bless you with the power of My Resurrection which is neither a fairytale for children, nor a beautiful image, but an incontestable reality, vibrating in the whole universe. Through My Resurrection I not only completed the work of redemption but also bestowed the Trinitarian vortex with the power that renders it invincible. My Resurrection is, in fact, the clear victory over death, which rules in the satanic vortex. **Death can do nothing against the power of My Resurrection.**

Children, you have reached this time with Me, and you have gone through many trials. Now the time begins in which the power of the resurrection must manifest itself through you. It will appear through My people so that all I have accomplished will continue to be revealed to the world through them. My work of redemption is not finished yet but will continue until the end of times through My people in the whole universe.

I expect you to become aware of the power that acts in you and among you. You have participated in My death and now you must also participate in My Resurrection. Begin to draw power from the Trinitarian vortex, which is the power of My Resurrection. **It touches you continuously, and it touches the whole creation; through you it involves all creatures and the whole Earth. This is the true evangelisation of the Earth, which you cannot accomplish without drawing on this power. This means that you must empty yourselves completely from your doubts and fears, your ideas and personal projects.**

I want to act through you and I will do it. However, you must completely renounce your egoism. How will I be able to act if you are

constantly thinking about yourselves, your problems, your crises and fears; how can I come into your being if it is already occupied?

Until today, you have not yet drawn from the power of My Resurrection. This is because you have not entered fully into communion with My Mystical Body. It acts incessantly and pours all its power into the Trinitarian vortex. The Trinitarian vortex is not an abstract, distant figure that is beyond you and beyond the Earth; on the contrary, it is a reality that surrounds and embraces you at all times. If you are able to perceive this power within you and around you, if you immerse yourselves into the Trinitarian vortex to draw from its strength, you will be saved. You will heal from your illnesses and from your fears, and the whole people will grow.

Now, I expect this from you: I want you to become aware of the power within you and to activate it, drawing plenty of strength from the Trinitarian vortex. This can only occur through your full participation in My Death and Resurrection and by eliminating from yourselves all that prevents the flow of the power of the Trinitarian vortex in you.

Children, the humanity of the Earth is going through an extremely serious crisis; the abyss is only one step away; unfortunately, your humanity is not aware of it. Undaunted, it continues to dance on the edge of the abyss, not noticing that it is about to fall. However, I will not allow My children to fall, and I will snatch as many souls as possible from the enemy, but I need you. **I need you to carry Me in your heart wherever you go. I need a strong people, moving fast at the pace of grace, not always thinking about what to do and how to do it to please Me. All you have to do is let Me enter you. This is your task. When I have all the power in you, I will send you like arrows to defeat evil, death, disease and darkness.**

You will see how wars, diseases and violence will increase on Earth because Satan is furious and blinded. He does not know what to do and where to go. He, too, has a people to direct, but he does not know how. He perceives the power of the Trinitarian vortex and of the people

of God, but He does not know where the blow will come from and how to go ahead. However, you know it, and you will know it more and more.

The Earth needs messengers of peace, love, strength and resurrection. I want to send you to carry Me, alive and working, among the desperate people, the sheep without shepherd. Good and evil must be consumed until the end. All must come to light, be taken to fullness and appear with all its force. Light and darkness, death and life will face each other in a grandiose duel. Therefore, My children, position yourselves carefully.

Today I ask you to do a last, great effort to liberate yourselves definitively from all that still oppresses you. Each one of you knows what he has to eliminate. However, do not worry because I will do it in you if you let Me act. It is not you who have to defeat evil inside and around you; I will do it, but you have to put everything in My hands, otherwise I will not be able to make use of you. If you continue to hold your life in your hands, I will not be able to use you. **Therefore, children, commit yourselves to surrender to Me so that I may give Myself to you. Then you will see miracles in your lives and touch the wounds of this humanity.**

I am with you. As always, I entrust you to My Mother and St. Joseph who will help and protect you. You will also be helped by the extraordinary instruments and the whole Mystical Body. You will feel the power of the Trinitarian vortex in you and around you. Do not be afraid and move forward. Do your part with humbleness and determination.

I bless you in the name of the Father, and of the Son, and of the Holy Spirit."

The Power of Faith

Message of Jesus of 18 May, 2019

“Dearest Children,

My Heart rejoices in seeing you here. I am pleased of the path you have done, the decisions you have taken and the path you want to continue together.

I told you that there is a great power within you, that of the Trinitarian vortex.³⁵ It is the power that has generated you and keeps you alive. I also told you to use this power. How should you use it? What will activate it? Your faith. Only through your faith can you activate the power of the Trinitarian Vortex in you. **Faith is not a theory, but the strength of the Christians; an immense strength.** The world does not understand it, but you are called to understand it.

Faith must be practiced; otherwise its strength remains inert in you. You practice faith when you believe; when you say, “I believe”, without doubting in your heart. Doubt is the force that opposes faith and blocks all vital processes in you. **I mean the existential doubt which emerges when you feel unworthy and incapable, when you perceive your limit as something insuperable.**

However, I have taught you that through faith you can move mountains.³⁶ It is not only an image that refers to the external world: I referred to the mountains of doubts that are inside you. With the power of faith in Me you can move and throw the mountains of your doubts into the sea. It is important that you start doing it. With one word you are able to throw into the sea all obstacles before you; that word is: “I believe”.

³⁵ See Message of Jesus of 20 April 2019, “The Power of the Trinitarian Vortex”.

³⁶ See Matt 17,20; Matt 21,21; Mark 11,23

Children, the world needs faith. The mountains that squash humanity cannot be moved without faith. I did not send you to the world without filling you with strength. I have given you My Spirit, which is strength, love and intelligence. Through the Spirit you are able to keep your faith alive, and with it you open the path for yourselves and for humanity.

I also invite you to begin to ask. Ask in My name. I have not told you tales; I have assured you that when you ask in My name, I will give you what you ask for.³⁷ **I will give you everything that you do not ask out of personal interest and egoism.** It is not egoistical to ask for health; health is a gift of God and you must ask for it. It is no sin to ask God to help you in your life; you must ask for it. Which child does not ask his father to give him what he needs? The father knows what to give and what not give. Likewise, **when you ask Me for something, I will give it only if it is for your benefit. If it is not, I will not give it to you. So, why do you torment yourselves with this doubt: "Shall I ask God or not?"** You must ask because you are children of God, and also to have a relationship of love and trust with the Father.

Ask and it will be given to you.³⁸ It is time for this people to seriously begin to ask for what it needs. It is time for the world to know that My people receives everything from God and that it can do miracles. **My people must do miracles! Do not think only of extraordinary things; if I want, you will do those, too. I refer to the miracle of life that is born even in the desert of the world, which opens the way to humanity and to the wonder of a people living in the love of God.**

I say to My brothers, My children who are ill: ask to be healed and believe that I can heal you. Do not doubt and I will heal you.

I will manifest to the world that I AM, and I will do it through My people. I expect you to trust fully in Me. Therefore, I repeat: have

³⁷ See John 16,24

³⁸ See Matt 7,7-8; Luke 11,9-10

faith! Do not doubt anymore and I will give you what you need. Then, you will know that I AM.

I bless you and I send you into the world with the power of faith. Remember that I can only do something for you if you have faith, and that you can only do something for Me if you have faith. That faith will take you to the new creation. Through the power of its faith, My people governs the universe together with Me.

I bless you, children, with all My love and with all the Trinitarian power; in the name of the Father, and of the Son, and of the Holy Spirit.”

The Time of the Beatitudes

Message of the Holy Spirit of 8 June 2019, Vigil of Pentecost

“My dear Children,

I bless you powerfully on this Vigil of Pentecost. **I come to announce to you the beginning of a new time for My people in the whole universe. It is a time in which I want all the gifts that I have bestowed on My people, in every age and in every place of the universe, to blossom, triumph and manifest the power of God among you and through you.**

The gifts that I am speaking about are not the charismas some people have. I am speaking of My seven gifts which, unfortunately, have not fully blossomed in the Christians of the Earth.³⁹ This has occurred for several reasons: principally because of man’s ambitions and his desire to possess those gifts. **My gifts only blossom where there is humbleness. They are granted to you when you stop seeking them for yourselves and begin to ask for them for the glory of God.** I want this glory to be manifested in My people.

What should you do? You must fully live the teachings you have received: Jesus’ teachings in the Gospel and those you have received through the revelations of the past years, which make Christ’s teachings actual and render them more comprehensible to the people of this time.

The content of the Gospel and of the revelations you have received create together a sublime theology and a powerful doctrine with which you can help others. Through them you can better understand the human nature and relieve everyone's life from impediments and suffering.

³⁹ The seven gifts of the Holy Spirit are: Wisdom, Understanding, Counsel, Fortitude, Knowledge, Piety and Fear of the Lord

I continuously remind you of this teaching⁴⁰: if you are open to read and meditate Christ's teachings with seriousness and perseverance, I will remind you of the right word at the right time. Thus, you will be able to overcome your difficulties through God's Word which heals and strengthens. As it is written, God's Word penetrates to the point of division between soul and spirit in order to overcome this division and perfectly unite soul and spirit.⁴¹

I ask you to let the teachings you have received live in you. Remember that Jesus' thought is enclosed in His teachings. Jesus manifested His divine thought in the midst of the people; **you may find Jesus' thought in the Holy Scriptures and the revelations that have been given to you. The two are not separated from each other but form a whole.**

If you do this, My gifts will blossom in you. They will render you a strong people that will pass through this humanity who is afflicted by many difficulties and immersed in great confusion and darkness. You will pass among them bringing light, preaching, teaching and healing. You will heal the life of the people, because Jesus Christ is the Lord and the Saviour of human life; He is the One who entirely saved your being.

I invite you to become true testimonies of the teachings, the thought and the power of Jesus Christ, which I incessantly continue to remind you of. Christ's highest teachings are contained in the Beatitudes.⁴² The people of God have never fully understood them, and yet the whole power of God and His people is enclosed in them. **I ask you to live the Beatitudes so that this may be the time of the Beatitudes for the whole of My people.**

I do not need great doctors and theologians or lofty scholars; **I need men and women who understand, live and put into practice the teachings of Jesus Christ.** I will always be by your side to remind you, at every instant, of the Word that has been given to you. **It is the Word of**

⁴⁰ See John 14,26

⁴¹ See Heb 4,12

⁴² See Matt 5,1-12, Luke 6,20-23

Christ, of the Father and also Mine. The whole power of the Most Holy Trinity is enclosed in it.⁴³

Children, through the centuries the Holy Scriptures have been “taken hostage”, so to say, by false scholars.⁴⁴ They did not use the Word of God to help humanity grow but to crush, judge and condemn it. This is not what I want. **My Word descends to heal humanity; it descends to separate light from darkness, but always in love, for My greatest gift is love: the love of Christ that I instil in you, nourish and imprint on you with My fire.**

You have been given the task to baptise in the Holy Spirit and fire.⁴⁵ The fire I am speaking of is the purifying fire. It always passes through Christ’s Sacrifice, and it purifies humanity to its roots. This is the meaning of the baptism you are called to impart, even to the souls in Purgatory who have not received it yet. **It is the greatest purification of all, because through this baptism you immerse the souls in the Sacrifice of Christ. I ask you to continue to baptise with love and out of love, for it is the greatest help you can give to many souls.**

I repeat to you: seriously endeavour to understand and live all that you have received. Be truly wise according to the wisdom that is not human but divine. **I am the bringer of life and divine wisdom. I am the One who guides you to the whole truth because it constantly reminds you of the One who is the Truth.⁴⁶**

I ask you to live the time of the Beatitudes together with Me to become a people able to be meek, poor in spirit, pure-hearted, peace-bringing, able to carry life. First and foremost, I ask all priests of this people to be priests of the Beatitudes. **Leave aside all conflicts and all problems. It is not for you to solve the great problems of humanity because you cannot; only God can do it. However, your task is to**

⁴³ See John 20,19-22

⁴⁴ See Matt 23,2; Matt 23,13

⁴⁵ See Stefania Caterina, “Beyond the Great Barrier”, chap. 9

⁴⁶ See John 16,13

follow Jesus Christ and reveal His love in you and among you so that humanity may believe that God has sent you.⁴⁷ This is the greatest gift you can give to others, for Jesus Christ is the greatest gift the Father has given to humanity.

I bless you and I send you on your mission. I am by your side all the time. **Be inwardly attentive to My teachings, and you will find Me beside you and within you. Always and in every situation, I will give you the right words to overcome all difficulties and give true help and true love to those who desire it.** You will receive the right words and accomplish the right actions to lift up the poor of God.

I bless you in the name of the Father, and of the Son, and of the Holy Spirit.”

I am the Mother of the Church

Message of Our Lady of 24 June 2019, Nativity of St. John the Baptist and vigil of the anniversary of the apparitions of Our Lady in Medjugorje

“Dearest Children,

With great joy I announce to you that today a very important part of My plan has fulfilled; it is the one that I wanted to bring to Medjugorje. The plan is fully embedded in the programme of the recapitulation of the whole universe in Christ.

The Lord sent Me to Medjugorje for this purpose: I was to build a new people who would be united with the whole universe through My Heart. Through the parish and the official Church of the Earth I wanted to create a renewed and powerful Church, united with the people already present in the universe. However, as you know, this did not happen.

The faithful humanities have waited for the decisions of the official Church of the Earth for a very long time. My Heart also suffered greatly while waiting for a positive response that has never arrived. The Church of the Earth simply should have recognised My apparitions in Medjugorje and followed My teachings obediently. Then, in a short time, she would have united with all faithful humanities of the universe; thus, a very powerful Church would have emerged, able to bring the announcement of salvation to the whole universe.

This did not happen; however, you know very well that the Almighty God does not change His purposes. He may change instruments and means, but He does not change His aims which are eternal, inscrutable and unstoppable. Therefore, today this plan has been accomplished through you: there is a people on Earth who believes in the presence of other brothers and sisters in the universe with whom

it wants to be united to form the true and powerful Church of Jesus Christ, which is the only one able to counter the forces of evil.

Children, the Church of Jesus Christ must have the characteristics of My Heart: she must be Mother. My first mission is, in fact, to be the Mother of God, the Mother of the children of God and the Mother of My Son's Church. Therefore, this Church is mother because she continuously generates children of God; she generates them to life. My Immaculate Heart pours its immaculateness onto the people of God, who must therefore be immaculate. The Church of Jesus Christ is thus mother, and it is immaculate. It is a missionary Church that incessantly and powerfully announces the Kingdom of God.

Children, do not be deceived by things that you unfortunately hear from the mouth of high representatives of the official Church: they speak of "an outgoing Church; the Church as a field hospital". It is not that. The mission of the Church is to continuously generate the children of God to the life of the Most Holy Trinity. Thus, they become righteous, free, able to choose good and reject evil, to go towards every child of God to give them life.

Now, it is time for this Church, united with the one in the universe, to bring her announcement through her life, her doctrine, her liturgy and her sacraments, that is, through all that she has received in the past years. All this forms a truly great deposit of faith, hope and love.

I do not say that you will have no conflicts, for Lucifer's hatred against the Church of Jesus Christ of the Universe is strong, but God's love for you is stronger. My love for you is also stronger, and I am grateful to you for what you have done in the last years.

Your houses will be true sanctuaries. They will attract the humanity of good will, who will be able to see another Church; it will be able to see what it has not yet seen on Earth. I want this Church to be poor, that is, not rich in money and means, but rich and powerful in faith, hope, love, doctrine and miracles: all that God will allow you to accomplish, because time is running out, children. God must act to

save the Earth from the part of humanity who wants to destroy everything and everyone.

Therefore, take courage. I am with you and I accompany you on all the paths you choose. Know that the Lord will always help you to choose the right path because you are His Church; you are His beloved children and God will never abandon you, neither will I.

Together with St. Joseph I bless you all and this Church that will be founded on Earth through you. Remember well, though, that you are the ones on whom God is founding this Church, perfectly united with St. Peter, the apostles and the instruments of God. **Today, on this very Earth, you are the ones on whom God is founding His Church of Jesus Christ of the Universe.** Be aware of the greatness of the event and the responsibility you have, but be also joyful because God has chosen you. Every time God chooses someone, He does it out of love and to fill you with His love.

I bless you; I bless the whole Foundation, your houses and the whole people who will gather around you. I bless all your intentions and all the paths you will walk with Me; in the name of the Father, and of the Son, and of the Holy Spirit.”

Consecration of the Earth to God the Father

Oh God, our Father,
God of immense and perfect goodness,⁴⁸
as members of the Church of Jesus Christ of the Universe
and as His Mystical Body present on Earth,
we consecrate ourselves to You,
united in the Holy Spirit,
offering ourselves to Jesus Christ
through the Immaculate Heart of Mary.

In this very serious historical moment
that our planet is going through,
for the Earth and the whole Universe
to be recapitulated in Jesus Christ
and introduced into the new creation,⁴⁹
we turn to You with the prayer of our Saviour:

*“Father, the hour has come.
Glorify your Son, that your Son may glorify you.
For you granted him authority over all people
that he might give eternal life to all those you have given him.
Now this is eternal life: that they know you, the only true God,
and Jesus Christ, whom you have sent.
I have brought you glory on earth
by finishing the work you gave me to do.
And now, Father,
glorify me in your presence
with the glory I had with you
before the world began” (John 17,2-5).*

⁴⁸ See Matt 5, 43-48

⁴⁹ See 1Cor 15, 20-28

We consecrate ourselves to Your will
to live according to the teachings of Your Son,
guided by the Holy Spirit,
to reach the new creation.⁵⁰

Forgive us, good Father;
draw us to You;
separate us from Evil
and protect us so that it does not destroy us.
Watch over us through Your Son in the Holy Spirit.

Forgive all the sins committed on Earth;
heal this humanity and all creatures of our planet.

Fulfil Your promises revealed by the prophets:
finally realise Your Kingdom,
announced and obtained by the Sacrifice of Your Son,
in which we participate.

“Thy kingdom come”,
all men and creatures shall thank You
with eternal praise,
serving each other
and respecting the laws of the pure Spirit
according to Your will.

Amen.

The New Creation Begins on Earth

Dearest Brothers and Sisters,

We present you Jesus' message of 3 August, the vigil of the consecration of the Earth to God the Father. We also add the message that God the Father gave us on the day of the consecration. There you will find many passages that refer to all the children of God and answer their questions. Pray and think about all this. Afterwards we will reflect on it together and continue our path to realise the promises in the fullness that Jesus has announced to us.

We accompany you with our prayers, and we bless you.

Stefania Caterina and Tomislav Vlašić

Message of Jesus of 3 August 2019

"Dearest Children,

After a lot of hard work and among many trials, **you have reached a turning point on your path: you have come to the consecration of the whole Earth to the Father**, which you will perform tomorrow.

I tell you that this consecration is not an ordinary act of devotion carried out by a prayer group or done in any other context. It is a solemn act, performed by you on Earth in the name of the whole Church of Jesus Christ of the universe, and, through you, it will be performed by the Church present in the universe. Planet Earth will be consecrated; the place where the last events will take place.

Children you do not realise that, on Earth, the old creation will end and the new creation begin; the old times will end, and the new times will begin. You find yourselves in an extremely important scenario of

the history of humanity. Therefore, I told you that tomorrow the Church of the universe will consecrate the Earth. From now the Earth will be the scenario for all. **Earth will belong to the Church of the universe; it will be protected by the Church of the universe, precisely because on this planet salvation will have to be accomplished and the new creation begin.**

I am telling you great things, which are difficult to understand rationally, but the Holy Spirit will guide you and I will also guide you. The Father wants you to understand the seriousness of the times you are living in and to be aware of Satan's work to counter all this. In fact, the children of darkness continuously consecrate the Earth to Lucifer and to the arch-demons to prevent that the events of salvation take place here. **Nevertheless, no-one will be able to prevent these events.**

Therefore, tomorrow I will be in your midst to consecrate the Earth together with you. I will consecrate it in My Church. Together with you, I will consecrate this planet to the Father. I deeply love this planet where I incarnated, walked, died and resurrected; where I showed you life. Remember My words in the Gospel: *"I have come that they may have life, and have it to the full"* (John 10:10). No one will be able to prevent the life I have brought to Earth from manifesting itself in all its power. **Lucifer can do nothing against the life of God because there is only death in him, and I have defeated death for all of you and in each of you.**

I am the One who opens the seals of the great book of life written by each of you. I open the seals within each of you so that life is reborn, grows and expands through each of you and through My whole Church. Now I ask you, children, to let Me open all the seals in you, all of them to the last. **Free yourselves from all fears, doubts and worries of the world; I can provide for you. I need a free people, totally devoted to Me.** I know that there are trials on Earth. I know the crosses very well, and I carried the biggest cross for all of you. However, I tell

you that the crosses serve no other purpose than to make you rise again.

Later you will receive the anointing, and I, as the High Priest, will anoint you through the hands of My priests.⁵¹ I will anoint you because I want to heal you profoundly. I want to heal your spirit, your soul and your body. Have faith, children! Even your illnesses are placed in a very large context. Whoever is ill among you: do not be disheartened but offer all to Me and, through Me, offer all to the Father. I can defeat all your illnesses; if I allow you to suffer, it is only because through these trials I can elevate not only you, but the whole Church. Each one of you carries a piece of My Cross; do not be afraid of it because My Cross means resurrection.

Today I bless you all in a special way. I bless those among you who are suffering, uncertain, doubtful; those who cannot forgive themselves and fully welcome My mercy. **I AM MERCY and, as such, I will pass among you: through the oil you receive, you will be anointed by My Mercy.**

Children, rise again because times are short. The consecration of the Earth, wanted by My Father, makes you understand that times are truly short. There is no more time to switch between 'Yes' and 'No'. Now, you must walk with determination towards life and life will come towards you. Do not be afraid; I am with you, and I always accompany you, at all times and in every trial. I AM THE LIFE; do not forget that.

I bless you with the blessing of life, in the name of the Father, and of the Son, and of the Holy Spirit."

⁵¹ During the celebration the people received the anointing as confirmation of the grace of submitting to the will of God the Father.

I am here, I am your Father

Message of God the Father of 4 August 2019, Solemnity of God the Father

“Dearest Children,

I am delighted to be here among you to tell you that I love you. Today, in you, among you and through you My promises are fulfilling: the promises I made to your Fathers of a new, redeemed humanity; the promises of the prophets. Finally, the hope of many saints, who have lived among you, has received a voice. The tears of the righteous, who lived throughout history, are dried.⁵² **My promises are fulfilling because now there is a people on Earth that belongs to Me. Finally, the Church of the whole Universe established by My Son is there: it is alive, pulsating, holy, righteous and only seeking to do My will.**

Be aware of the fact that I am fulfilling My promises in you regardless of your limits, sins, insecurities and illnesses. I am greater than you all; I am greater than your hearts, desires and illnesses because *“My ways are higher than your ways and my thoughts are higher than your thoughts”*, as I said through the prophet.⁵³

What you are going to do today is something truly great.⁵⁴ Not only because you consecrate to Me yourselves and this wonderful planet that I have given to you – a beautiful planet, made especially for you and now, as you see, in such a bad condition – but because today you sign an irrevocable alliance with Me. This is the alliance: “You will be my people, and I will be your God”.⁵⁵ Through My Son, Jesus, in the Holy Spirit, I will introduce you into the *Promised Land, the new*

⁵² See Luke 10,23, New International Version – UK (NIVUK)

⁵³ See Isaiah 55,9

⁵⁴ He refers to the consecration of the Earth to God the Father which will take place during the celebration.

⁵⁵ See Jeremiah 11,4

Jerusalem, that is, the new creation, which has been prepared since eternity for you and for those who loved and served Me over the centuries.

This means that from today on you definitively belong to Me, and I put My seal on you. It is the seal of eternity, justice, love, faithfulness and mercy; the seal of My Laws that I have written into your hearts. All this, children, commits you to be faithful, not only for yourselves but for the large part of humanity that is groaning, suffering and waiting for a sign from Me through My people.

Know that the new creation begins with My people both on Earth and in other parts of the universe. I do nothing without My people. I am not a God who is jealous of His power; I have decided to share My glory with the angels and the humans. I have decided to share it also with the other creatures because nature is the mirror of My Glory.

In fact, all creatures manifest My glory, My power and My goodness and I deeply regret that you have not understood that. I deeply regret that the Earth, which has provided you with food, water, health and joy, and all the creatures that inhabit it have been exploited by the men of the Earth only for profit. **You must not do that because you are brothers and sisters of all creatures:** the animals, the plants, the water, the air, the earth, etc., for you have all been created by My goodness. **Therefore, I ask you to give creation the right place in your houses; make sure that every animal and plant, even a blade of grass, feel safe beside you, not threatened and destroyed by your thirst for profit.**

None of you will enter the new creation alone but together with all other creatures; do not forget that. Creation accuses the man of Earth of having betrayed, exploited, humiliated and devastated it. That should not apply to you. Today you also sign an alliance with creation for which you are responsible. **I will also hold you accountable for this. Therefore, treat your planet well in the place where you are, because that piece of creation that is around you is entrusted to you forever, and it will enter the new creation together with you.**

Children, you see how things are going on Earth. Man does not seek Me, does not want Me, does not know Me and refuses Me. Therefore, I wanted another people and I have created a new humanity. Over the centuries I have raised saints, prophets, righteous people, but now in you the promise of a new people is fulfilled: you are My new people and I am your God. My Son will guide you, the Holy Spirit will sanctify you and I will protect you. I will remove the poisonous roots from you as nothing impure must enter My new people. Lucifer and his court will no longer dwell with you. You will have trials and difficulties because you will feel the hatred of the enemies, but you will have no part with evil anymore: I will separate you from evil once and for all because you are My people.

I expect you to be aware that you belong to Me in every moment of the day. The seal that I place on your forehead today shall shine every single moment of your life, in every place you visit and wherever you pass. You do not need to make great speeches; My seal will speak by itself because you will bring My life.

I thank you for the path you have done with Me. Now another one begins: the path of the new creation. I have grown you like a precious tree whose roots are no longer immersed in this humanity but in the new humanity and in the new creation. You are a people that lives on Earth but does not belong to the Earth or to the spirit of the world; you belong to Me. Act like this: do not get involved with the spirit of the world anymore but bring my Spirit everywhere.

I turn to you of the Earth who have refused Me and do not accept My laws of love, justice and mercy: from now on you may live as you want to live! Live according to your laws. However, I tell you that difficult times are awaiting you because you will no longer experience My love, My mercy or My justice. You will have to be content with your love, your justice, your mercy which is equal to zero. I love you all and I am always ready to welcome you again; however, as long as you refuse Me, I can do nothing for you but confirm you in your choices. I respect your freedom. Do you want to walk alone? Walk alone! Now

all My attention is turned towards the humble, the pure in heart, the innocent; all those who are despised, ignored, invisible. Poor children of Mine who are born and die without anybody noticing! That will not remain like that: I will turn to the last, and I will save them through My people.

I also turn to you, the powerful of the Earth: do not think that I do not see you. I search the depth of your hearts. I see that there is no love, no justice, no goodness. You only seek your glory, but I tell you that your glory will turn into nothing because you seek nothing, and you will remain with nothing. Whoever wants to live on his own, without Me, will die alone. This, too, is My justice: I let everyone live according to his free and conscious choice.

However, I repeat: none of the little ones, the humble, the innocent, and those among the suffering who seek Me will be abandoned. From today onwards, the prayers, the devotion and the love of My people will reach all those who are waiting, who are dying without receiving a caress from anyone; who disappear from the Earth without anyone ever noticing them. **I never forget anyone and I love the little ones.**⁵⁶
Even My Son made Himself little for you.

I love the righteous, the innocent, the pure in heart. I love the children, the young and all those who have a desire for true life within them but do not know whom to turn to. **Well, I tell you: I am here, I am your Father and I am always waiting for you at the doorstep of My House that is always open. Do not walk past as you will not find anything outside of Me.**

Children, the Earth will experience difficult times. All the hatred man has sown will return to him. You may already notice that nature is rebelling against the tyranny of man. **However, it will not be like that for you. No one will touch you; nothing will torment you. Be happy about what you are experiencing today. Consider yourselves**

⁵⁶ See Matt 18,10

fortunate to be present here. Those who could not come here today will certainly not be forgotten: the power of this celebration will extend to all My children of the Earth and those of the entire universe. And the Church present in the universe will also pour graces on you because you are one people.

I bless you and I send you as witnesses of My life and My love. Be aware of the responsibility and the greatness of your life and your calling.

I bless you, in the name of the Father, and of the Son, and of the Holy Spirit.”

Indications for this Time

Message of St. Michael the Archangel of 29 September 2019, Feast of the Seven Great Archangels

“I greet you, dearest Brothers and Sisters,

Today I am in your midst to communicate to you the wishes of the Lord Most High for this people and for humanity. **Three points are important for the last months of this year and the coming year.** You know that the new year begins for you with the Feast of Christ the King in which all is summed up and all begins anew.

- **The first point is the following: God wants this people to exercise its priesthood fully.**

I have to tell you, brothers and sisters, that a terrible scream rises from the Earth and shakes the universe. Earth is in danger. The humanity of this planet is suffering terribly. It has no way of salvation without Jesus Christ. This priestly people must form one body and one spirit to elevate to the Lord the scream of this humanity. You are mothers and fathers for this humanity, and you must never forget that. Fathers and mothers watch over their children. There are many children of God on this planet, great and small, who suffer and are persecuted, trampled and despised for being children of God. Many others do not know yet that they are children of God and are waiting for a signal from the people to glimpse a new life and new people.

It is time to offer the cry of the Earth on every altar of the Earth, in your liturgical celebrations, when you all come together, when you are in nuclei or on your own. Together with us Archangels, the extraordinary instruments and the new priests, the priestly people will raise this cry from all altars of the Earth. They will receive from God the grace to cover with their mission all altars of the Earth, even where there are no worthy priests.

Thus, it is necessary that you become aware of being one body on Earth and in the whole universe. Everything you offer to God will be offered together with the whole people of the universe that is now turned towards the Earth, the last planet to enter the fullness. Be aware of this task of yours.

- **The second point is closely related to the first and is your purification as individuals and as a people.**

You know from the Old Testament that the people of Israel always purified themselves before the great events.⁵⁷ The events that await you are far greater than those of that time; therefore, this people must be ready and purified. I invite you, therefore, as individuals and as a people, to free yourselves from what is still oppressing you: fears, doubts, worries, resentments, discords etc. Each one of you knows what he has to give up, but now the people, too, must banish all darkness from within.

From now on, discord, divisions and hypocrisy will no longer be tolerated among the holy people of God. Your 'Yes' must be a true 'Yes'. Whoever sows discord among these people will be set aside. Thus, I invite you to look sincerely inside yourselves and at problematic issues among you. **There are not only the sins of the individuals but also those of a people. However, if each one defeats the darkness within him, he will also consume the darkness of the people and of the Earth.** While you defeat evil in you, you also defeat it around you, in the people and in the world. Thus, when you accept your purification with love and joy, you will consume the tragedies of humanity.

Now, you may wonder if the trials will come. Yes, they will; however, I tell you that the humanity of the Earth is already struck by trials. The trials of the people of God will be subtle and deep; they will be a battle between your spirit and the spirit of the world. This will be the great trial of the people: to knock down the forces of the enemy,

⁵⁷ See Exodus 19,10-11

consume the action of evil, defeat evil with good. Therefore, you are asked to be pure; I do not mean perfect because none of you is perfect, nor am I, because you and I are creatures. Rather, you are asked to be honest, open, generous and ready to give up your views and welcome the newness of life; ready to let yourselves be emptied of your ideas and projections to welcome the power, the love, the wisdom and the goodness of God.

What should you do? You must remain firmly anchored to the three pillars you have been given: the offering of your life to God through Mary's Immaculate Heart as a sincere, generous and total act; **integrity** in your thoughts, words and actions; **communion** between you and the whole people of the universe, the extraordinary and the ordinary instruments who are active in this time.

You are a powerful ordinary instrument on Earth, and therefore I invite you to free yourselves from all that prevents you from fully exercising your mission. God will give you the strength to overcome every trial and you will be reborn from within. Being reborn from within also means to be reborn from above, from a thought that is higher than you: the thought of Christ that comes from above and wants to incarnate in you. Not only the thought of individuals exists, but also the thought of a people, and **I ask you to let the thought of Christ live in you, among you and through you in the world.**

- **The third point, which completes what has been said, is this: the Lord wants you to consecrate the last months of this year and the whole of next year to the Holy Spirit.**

Invoke the Holy Spirit and offer yourselves completely to Him. Honour Him, bless Him and proclaim His greatness among you and in you. **Only the Holy Spirit will enable you to understand the events and to participate in them. The events will begin and they will be great, but they will be very subtle.** Most of humanity will not notice them, but you must see them. They will pass under your eyes; you will understand them and take them before God. Therefore, you need the Holy Spirit.

Imagine you are in a dark room that is full of smoke: you cannot breathe and you do not see anything. Now, imagine that someone enters the room and opens a large window through which light and pure air come in. **This is what the Holy Spirit does in you: He opens you to the light and the purity of the spirit. You need the Holy Spirit. The Earth needs Him. Supplicate the Holy Spirit to descend on this humanity and heal the wounds of the little and the poor; they are like Lazarus' sores that no one wants to see.**⁵⁸ You, however, must not turn your face before the sores of this humanity. Watch what happens on Earth, although it may upset you and sometimes it may be easier to look the other way. It is no longer the time to look away because God's people are sent to heal the leprosy of this humanity, and you must not be disgusted by its sores. Look at them, offer them to God, heal them.

That is all for now, brothers and sisters. **You will receive all the help you need. God has foreseen great graces for you; therefore, be ready to welcome them. All will go well because in God all goes well.** Everything always goes well in God; do not be afraid. Live in faith, hope and love. God entrusts many children to you: love them, heal them and bless them.

I am with you and I bless you together with all Archangels and angels, the extraordinary instruments and the people of the whole universe. Receive the blessing of God, in the name of the Father, and of the Son, and of the Holy Spirit."

The Three Great Portals of the Church of Jesus Christ of the Universe on Earth

4 October 2019, Feast of St. Francis of Assisi

Introduction

We have spoken to you about the Church of Jesus Christ of the Universe as the last instrument of salvation for this humanity. In this Church the Trinitarian power will express itself on Earth. This will particularly take place through three places chosen by God:

1. Jerusalem, in the Church of the Holy Sepulchre;
2. Rome, in the Basilica of St. Peter's;
3. Medjugorje, in the House-Sanctuary of the Face of Mary, which belongs to the Church of Jesus Christ of the Universe.

The Trinitarian action will unfold harmoniously in these three places while each one will keep its originality and its diversity of graces. Through these three places, all sanctuaries, all believers in Jesus Christ, all creatures and the whole humanity of the Earth will be involved in the action of God.

Everyone will be called to choose between Jesus Christ and Lucifer. According to their choice, some will do a journey of transformation to reach the new creation through Jesus Christ; the others will follow Lucifer and end up in perdition.

The three places of which we speak, have been shown to us as the three great portals of the Earth. In these places, the Trinitarian grace is particularly active. They have nothing to do with the 'star gates' of science fiction. In the three great portals of the Earth, all programmes of the recapitulation of the whole universe in Jesus Christ are revealed and fulfilled. Through them we are on our way towards the new creation. Every planet of the universe has its own portals, and they are connected with each other under the guidance of the Most Holy Trinity.

We will briefly explain the three portals.

1. Jerusalem – Church of the Holy Sepulchre

Jesus Christ, the Son of God, came down to the low universe where the Earth is located and where He incarnated among the people of Israel. With His sacrifice to the Father, in the power of the Holy Spirit, He defeated Lucifer. Through His resurrection from the dead, He defeated death and ascended into Heaven.⁵⁹ Thus, He opened the path towards God the Father by passing through the thick darkness that enveloped the low universe. He intercedes for our sins as St. John the Apostle reminds us: *“But if anybody does sin, we have an advocate with the Father—Jesus Christ, the Righteous One.”*⁶⁰

Jesus Christ will return to the Earth in His glory in the fullness of times to bring to completion the plan of salvation. **Jesus opened this portal and founded the Church of the Earth.** The apostles and Christ’s first disciples gathered with Mary Most Holy, received the gift of the Holy Spirit, as promised by the Father, to give testimony and continue with their life the work of the Saviour.

These times are experiencing a strong acceleration towards the fulfilment of the promises of the Saviour. The work of Jesus Christ will be pulsating and perceivable. It will express itself powerfully through the believers and manifest itself in them. All this will prepare the people of God for the glorious coming of Christ.

⁵⁹ See Heb 4,14

⁶⁰ See 1 John 2,1

2. Rome – St. Peter’s Basilica, the centre of Christianity

The saints Peter and Paul gave their blood in Rome, giving the highest testimony to the person and the work of Jesus Christ. Thus, the Gospel was preached to all peoples.

According to the Christian tradition, the Basilica of St. Peter was built on the remains of the Apostle. It became the Chair of St. Peter, central point of the Catholic Church and symbolic place for all of Christianity.

The Church of Rome continued the work of Jerusalem, spreading the message of Jesus Christ to all peoples and all nations of the Earth. The time has begun in which the Church will be tested so that she may decide to unite with the Church of Jesus Christ present in the whole universe. Thus, she will be able to participate in the work of the Most Holy Trinity in these times and bring to completion the work of redemption of Jesus Christ for the salvation of the humanity and the creatures of the Earth. No one can stop the Trinitarian action; whoever opposes it, will be put aside.

The saints Peter and Paul along with the first Christian martyrs of Rome opened this portal. The Christians of today are asked to fully participate, with their lives, in the communion with the whole Church present in the universe, preparing the glorious coming of Christ.

3. Medjugorje – House-Sanctuary of the Face of Mary, which belongs to the Church of Jesus Christ of the Universe

Mary Most Holy began to appear in Medjugorje for what She defined Herself as Her last apparitions on Earth. Mary, the thoroughly new creature, did not descend from Heaven alone but with the angels, the saints, the brothers of other planets faithful to God from the beginning, as well as the living and the deceased who belong to Christ. As Mother of the Word of God and Mother of the Church, perfectly united with the Son and the Holy Spirit, She generates everyone who recognises himself as a child of God by taking him to Jesus, the Saviour.

Mary Most Holy, taken up to Heaven in body and soul, has descended to Earth to help humanity to rise towards the new creation, the Heavenly Jerusalem.⁶¹ As the highest member of the Church, She accompanies the people of God to the encounter with the glorious Lord. She leaves behind a pure and immaculate trail of light that marks the future path of the Church.

The Mother of God opened this portal by grace. She has instructed us, and She has entrusted to us the message that She wanted to bring to Medjugorje through the six seers but was prevented from doing so. That message is contained in the revelations to Stefania Caterina and has been published in the book *“Life Without God Is Not Life”*.⁶²

From the beginning of Her apparitions in Medjugorje, the Queen of Peace has manifested the wish to appear on the face of each believer. She has chosen the *House-Sanctuary of the Face of Mary* Herself; Her living presence and Her work in favour of the Earth and the whole universe can strongly be felt there. All those who welcome Mary Most Holy as Mother and Queen of the universe will express Her Face and illuminate humanity.

Conclusion

This is our testimony which is vital for us. We want to share it with you so that it may be salvific and vital for your lives, too.

The mysteries of God are revealed to those who love God. Those who trust the One who created, redeemed and sanctified the universe, and

The Communion of the Living

Message of Mary Most Holy of 1 November 2019, Feast of All Saints

“Dearest Children,

First of all, I want to thank you for your commitment in your path and for the responsibility you have taken in the Church of My Son. **Today I present Myself to you as the Mother of the living. I am Queen and Mother of humanity, of the saints and of the deceased in Purgatory because I am the Mother of the living.**

You must carefully distinguish between the alive and the living. Not all who are alive are living. Unfortunately, nowadays many people who are alive, in reality, seem to be dead.

The deceased in Purgatory, whom you commemorate these days, are living. Their body is dead but their spirit lives. These brothers of yours are already certain to enter the new creation one day; they are already saved and look at you with the eyes of the living as they have encountered the life of God. **The living person is someone who has encountered the Most Holy Trinity, lives It and communicates It. All of you are called to be living and to seek God’s life in your communion. Not only must you seek the communion with those who live on Earth, but also with the faithful brothers and sisters of the Universe and the brothers and sisters in Purgatory. They, too, are part of the Church of Jesus Christ of the Universe.**

Children, I want you to live the communion of the living. I want you to feel the power of the communion with those who live the life of the Most Holy Trinity in the whole Universe, wherever there is a child of God who seeks and lives that life. **The communion of the living is the greatest force moving in the Universe. It is the power that fills the Trinitarian vortex and communicates itself to you, for the power that passes from spirit to spirit is huge. Your spirit is deeply nurtured by**

the power and the communion present in the Trinitarian vortex where God acts and the living saints also act.

You, too, are holy and living if you live in Christ. Who is the holy person? It is someone who lives for Christ, with Christ and in Christ. You have been given an image of holiness that is not true. Holiness does not mean to imitate a saint or accomplish many religious practices: holiness is giving your life to Christ and giving your life for your neighbour in Christ. Therefore, children, you are not only called to live the communion among you, but also the powerful communion of the living present in the whole Universe. It is a force similar to the spark that runs here and there in the stubble, which is described by the Holy Scriptures.⁶³ **So is this communion: it is the force of the living; the force of the children of God. I want you to live immersed in this force, for it is the Church of Jesus Christ that must hold this power rather than human power, which is made up of structures, apparatuses and norms. The Church of Jesus Christ must hold the power of life.**

Children, I ask you to be a people of the living, otherwise you will not be able to face death with which Lucifer rules the Earth, the last planet to be evangelised, the most dangerous and the most hostile. Death rules the Earth, but in the chaos and the immense suffering of the Earth, the Church of Jesus Christ must shine as source of life. Then, others will not perceive you as religious fanatics but as living people.

Today I bless the life and the communion flowing among you. **Do not be content with being alive, but be living people in Christ, united to all the living in the Universe by the Spirit of the One who rose from the dead because He defeated death.**

I bless you in the name of the Father, and of the Son, and of the Holy Spirit.”

The King's Seal

Message of Jesus of 24 November 2019, Feast of Christ the King

"My dear Children,

Thank you for being here and for solemnly celebrating My Kingship. I assure you that this does not occur very often because many Christians are distracted, seeking other kings that belong to the world: king money, king selfishness, king sex, power, pleasure etc. These kings obscure My Kingship in the minds and souls of many Christians. However, this should not happen to you.

I want My Kingship to shine in the new people, in My Church of the whole Universe, and this must take place powerfully. My Kingship must shine in the whole of My Church, in the whole Universe and in this little remnant of the Earth that proclaims itself 'Church of Jesus Christ of the Universe'. If you belong to the Church of the King, My Kingship must shine in you.

The time begins in which My action will reveal more and more the royalty of My Church. From now on, My Church will be with Me wherever I am; she will follow Me wherever I go as it is written in the Revelations.⁶⁴ From now on, in all tabernacles, in all sanctuaries, in all portals, in every place where My Glory shines the glory of My Church will shine, too.⁶⁵ I speak of My Church, that is, of the one that suffered with Me My death and resurrection and carries the seal of My Kingship: the King's Seal.

⁶⁴ See Rev 14,4

⁶⁵ With this act the Lord gathers His Church, His Mystical Body, and invites her to offer herself continuously to Him through the Immaculate Heart of Mary to give a righteous response and participate in the universal communion. The Church attracts all and all are called to join "The Church of Jesus Christ of the Universe" to accelerate the glorious coming of the Lord and to enter the new creation.

My Blood is My Seal on you. I gave it for you, but I did even more: I marked you with My Blood. My Blood is the incontrovertible proof that you belong to Me and that you have been incorporated in My Life. You are part of Me; you are part of My Mystical Body which is My Church. The Mystical Body is not an abstract image but a reality: it is a body that moves in the universe and that lives, thinks, loves, suffers and acts. That is My Mystical Body. All of you can take part in it as long as you let yourselves be marked by My royal Seal, the seal of My Death and Resurrection.

Whoever does not accept to be wetted by My Blood, going through My Death and Resurrection with Me, cannot be part of this Church. The distracted Christians, who think that belonging to Me is as easy as a walk or going to Sunday Church well-dressed, will not be allowed to follow Me. No, this is not the meaning of being Christian. The Christian is someone who is in Christ and lives in Christ to be a new creature.⁶⁶ There is no Christianity without this but only a religion called Christianity, one among many others. On the contrary, My Church of the Universe is not only a religious institution but My Mystical Body that carries the King's seal, the seal of My Blood.

Children, now more than ever, I invite you to let yourselves be wetted by My Blood; to unite with Me in every celebration; to be with Me before all tabernacles. I ask you to participate with courage and generosity to my Death and Resurrection to participate fully in My Glory as King.

I descended into hell to save even the last among the last. My Blood wetted the Universe. I ascended to heaven and took My people with Me.

Be witnesses of My Blood. This is not something sad, frightening and shocking; it is something great: it is blood that redeems and gives life. In blood is life. Without blood, your body would not be able to live, nor

⁶⁶ See 1John 2,6; Cor 5,17; Gal 6,15

could you live without My Blood; without the seal that witnesses the death and resurrection, which occurred in Me but must also occur in you, for I saved you with My Death and Resurrection. **I have taken you to My Glory with My Ascension, and now I want you to reign with Me.**

Therefore, I ask My little remnant, which is My Church on Earth, and particularly the members of the Foundation, to be increasingly aware of your royalty and to affirm it in all circumstances and without fear. You will help Me defeat the kings of the Earth; the false kings of this world who want to harm people. I want your good, and I will not let even the least among you get lost. Give Me your life; allow Me to wet you with My Blood and to put the King's seal on you, and I will take you to My Glory. I promise you.

I bless you in the name of the Father, and of the Son, and of the Holy Spirit."

The Kingdom of Christ in You and among You

Message of Mary Most Holy of 25 November 2019, Feast of Mary Most Holy, Queen of the Universe

“My Dear Children,

I thank you for celebrating My Queenship today. I am pleased to be among you as Mother and Queen. Nevertheless, **the King and the Queen need a kingdom; they need the Kingdom of God.**

Children, what is the Kingdom of God? It is not an unlikely, abstract or poetic idea; the Kingdom of God is the Kingdom of Christ in you and among you. Why is His Kingdom late in coming? Because the Lord cannot fully reign in the people of the Earth. Only when you allow Jesus to reign in you, will the Kingdom of God manifest itself among you.

Unfortunately, the Christians of the Earth have understood very little of all this. They are waiting for the Kingdom of God as something that will suddenly and magically descend from above, but that is not so. My Son told you that the Kingdom of God is among you.⁶⁷ This means that when you are immersed in God’s Love and fully live the offering of yourselves to Him with integrity and in communion among you and with the whole universe, **the King can reign in you. When My Son, Jesus, is the sovereign in you, then the Kingdom of God will also be among you.**

I, too, can only reign in you if you open the door of your spirit to Me. Instead, many children close the door in My face. They are afraid that I will steal something from them. **On the contrary, I come with My hands full of God’s graces; I only want to give you My Love.**

Children, I need the Kingdom of God to be visible among you and to the eyes of the world. There are many kings on Earth. They are all kingdoms

⁶⁷ See Luke 17,20-21

of death. **The Kingdom of God, on the other hand, is the Kingdom of life, love and peace. I want the Church of My Son in the whole Universe to be His Kingdom; I want Him to be free to enter into you and take you wherever He wants, as He said yesterday.**⁶⁸

Now is the time in which the Kingdom of God must be visible. If it were not so and if the Kingdom of God did not manifest itself in you and among you, My Son's Sacrifice would have been in vain. Yet, with His Blood, Jesus purchased the Kingdom to which He now wants to take you. **The Kingdom of God already arises among you who live according to the teachings of My Son. It will be perfectly visible in the new creation, where it will shine as the only Kingdom of the Universe: the Kingdom of Life.**⁶⁹

Children, I ask you to enter more and more into the depth of your spirit to discover the presence of the King in you and to open the door to Him, always and at all times. Seek to belong more and more to My Son and to Me so that I may guide you towards Him, and He may lead you to the Father in the power of the Holy Spirit.

Let the Lord Jesus reign in you and among you. Thus, the world will see the Kingdom of God. Those who seek it will see it, for now imperfectly but later perfectly, in the new creation where God's promises will be realised.⁷⁰ **Those who refuse My Son will also see His Kingdom, but it will be for their ruin.** You, however, will see the Kingdom of God come powerfully among you for your good and for your eternal happiness. Therefore, help Me so that My Son may be living among you, and His Kingdom may expand. Then, I, too, will be able to reign in you and among you together with My Son.

I bless you with all My Power as Queen; in the name of the Father, and of the Son, and of the Holy Spirit."

Offering Ourselves with Mary on All Altars of the Earth

Message of Mary Most Holy of 7 December 2019, Vigil of the Solemnity of the Immaculate Conception

“My Dear Children,

I thank you for this vigil that we are spending together. Thank you for all the progress you have made and for the love that you show God and Me. I assure you that every drop of your love fills Me with great joy. **You are the joy of My Heart, because a mother rejoices when she sees that her children are attentive and thoughtful towards her.** I thank you for this.

The Lord sends Me today to ask each of you and the whole of this people for a great act of love: from now on, He wants you to offer yourselves together with Me on all altars of the Earth, wherever the Eucharist is celebrated. It is of no importance if the priest is worthy or not. My offering, along with that of the Church of Jesus Christ of the Universe, will heal many wounds. From all altars of the Earth a worthy sacrifice will rise to God, and the Father will accept it together with the Sacrifice of Christ.

This is a very important act that will produce a great wave of graces, and a great force will rise from every altar. It will be the force of God and His people. Not only you who are present and those who belong to the Foundation will offer yourselves, **but also the whole Church of the Universe will offer herself along with Me on every altar.** There will be no more altars where My Son offers Himself alone, but His people will always be around Him. A river of grace will pour over the Earth.

There is another very important aspect that I want to explain to you. You have to know that there are many children in other religions who have said ‘Yes’ to the Most Holy Trinity at the moment of conception

but have accepted to incarnate in other religions and in other peoples of the Earth, which do not know My Son. They did it out of love; they have sacrificed themselves. God is pleased about their sacrifice, but now He wants to recuperate His children; He wants to take them back to Him because they belong to Him.

Therefore, together with the Church of the Universe, we will also offer ourselves in the pagan temples; there where it seems impossible that Christ could be present, but where His children are, who need to be awakened, elevated, nurtured and cured. In this way, you will help Me disintegrate the kingdom of Satan because the power of the One and Triune God and of the Church of the whole Universe will even rise from pagan temples. The kingdom of Satan will be emptied from within, without clamour or spectacular actions; drop by drop, day by day, the sacrifice of My Son and His people will rise up from the Earth and destroy the kingdom of the enemy.

This is a great work of God which you cannot accomplish on your own but only with Me and with the whole Church of Jesus Christ of the Universe that offers herself with you and for you. The Earth is the last planet to be healed. It is the most difficult, but it must be elevated. God does not want to destroy the Earth. Satan wants to destroy it, not God. God wants to recuperate it and cure it because He loves everyone.

Children, do not be afraid of what I am asking of you. Do not be afraid of having to suffer in terms of health; that is not the point. The consecration to the Holy Spirit you are about to do, will give Him all the power in you.⁷¹ Thus, the Holy Spirit will use your spirit and take it where He most needs it. This is the action in spirit: your spirit will be taken where the Spirit of God needs it. The Trinitarian vortex catches you, lifts you up, takes you and brings you back so that you travel the Earth and even the Universe while you are living your everyday life.

⁷¹ During the Eucharistic celebration the people of the Foundation consecrated themselves solemnly to the Holy Spirit.

This is the miracle of God who accomplishes His wonders within you in daily life and in silence, for you and through you.

Children, I ask you to live as righteous people. I do not mean perfect, none of you can be, because the Earth, where you live, is not perfect, and you have many hardships to bear. I ask you to be righteous, that is, full of God's Justice. **God's Justice is a life lived for Christ, for the righteous is someone who lives for Christ. Be righteous; live for My Son and for Me. Live with Our two Hearts and with the Heart of St. Joseph. Then, My Heart will beat in yours and yours will beat in Mine. Thus, we will do many things together for the Kingdom of God.**

Remember the words of the Archangel Gabriel: “For no word from God will ever fail”.⁷² I assure you that it is so. God is able to realise everything in you. He needs your ‘Yes’; not a superficial ‘Yes’, but one that means: “Lord, change my life; make me the way you want me.” Today I want to repeat with you: “I am the Lord’s servant”.⁷³ I want you to repeat with Me every day: “Here I am; I am the Lord's servant. Here I am; I come to do your will and I do not want anything else.” Nothing else is necessary, children, because the will of God contains all you need.

I thank you because I know that I can count on you. Today, together with the whole Church of My Son of the Universe, I solemnly bless you. May your consecration to the Holy Spirit be a great step towards the resurrection of the Earth.

I bless you in the name of the Father, and of the Son, and of the Holy Spirit.”

I Come to Take Back What Belongs to Me

Message of the Holy Spirit of 8 December 2019, Solemnity of the Immaculate Conception

“Dearest Children,

I thank you for having decided to consecrate your life to Me as individuals and as a people.⁷⁴

I descend on each one of you and on the whole people. From within and from above I work in each of you and in all of you. My task is to sanctify you because I am the Sanctifier, the One who renders your life sacred, purifies, elevates and offers it to the Father *through* the Son and *to* the Son so that He may offer it to the Father. I keep love, intelligence and strength alive in you, which are the prerogatives of your spirit. I keep the image and likeness of God alive in each of you and in the whole people. A people also has its love, intelligence and strength, which spring from the prayers, actions and choices of you all. Day by day, the path of each one consolidates the path of the people. The resurrection of one means the resurrection of all; the transformation of one means the transformation of all.

Today I powerfully descend on you to consecrate you to the action and the work of God. Through you, I descend on Earth to purify it from evil. Through this little remnant and those who are connected to you — who are many more than you would think — in communion with the whole Church of Jesus Christ of the Universe, I bring the work of the Most Holy Trinity to completion. I pass beyond your limits and your insecurities and make of you an accomplished work beyond all your shortcomings. Your ‘Yes’ and your faithfulness are enough for

⁷⁴ In the Eucharistic celebration of 7 December, 2019, the solemn consecration of the people to the Holy Spirit took place.

Me: the decision to move forward without fear and without compromises.

Through you I come to Earth to take back what belongs to Me. I take back what Satan has stolen from Me: the children of God that are lost in the confusion of the world; those who love the true God, even without knowing Him and live as righteous people; those who do not follow the laws of the world but the laws of God impressed in them since conception; those who have accepted the sacrifice of incarnating among pagan peoples and different religions, which caused them great suffering and sacrifices. I repeat: I come to take back what belongs to Me. **I will snatch from the hands of the enemy all those who seek the truth. Only in God is truth, in the true God, who is the Most Holy Trinity.**

I come with power to give back to the Earth the love of the Father, the teachings of Jesus Christ and My will. My will translates into dynamic and powerful action, which unfolds through My people, for God always and only acts through the people.

Be aware of all this, because I want to make use of you to reach even the last man of good will on Earth. You will be My eyes, My hands and My feet that will incessantly walk this Earth. **It does not matter where you are because your spirit has no borders. Once you are immersed in Me, you become men and women without space and time as you enter different dimensions where the enemy can no longer reach you, and where all is filled with harmony, peace and goodness.**

I want to make of you a holy and precious people in the eyes of God. I have the power to do it and I will do it, but I need your faithfulness, your 'Yes' day after day. I do not ask for anything else. Leave to Me all your hardships, problems, illnesses and uncertainties. I can heal you and give you the resurrection of Christ. **Give Me your total and sincere 'Yes'; I will do all the rest. Help Me recuperate what is Mine.**

What the Lord has sown on Earth will not be lost. This planet will shine with the power of God even though many will not see it as they

will continue to be attracted by the deceiving light of Lucifer. The real children of God will see the true Light. **Thus, live and behave like children of light so that your sanctuaries, your houses and your own life become holy temples in which God's presence dwells.**⁷⁵

I am with you, children; I protect you from all evil and I take you with Me in My incessant action of love and light. I bless you in the name of the Father, and of the Son, and of the Holy Spirit."

I Send You to Exorcise the Earth

Message of Jesus of 25 December 2019, Holy Christmas

“Dear Sons and Daughters,

I bless you on this solemn Day for the whole Universe in which you remember My birth on Earth, an event that really occurred in a specific period of human history. However, **My birth repeats itself continuously in My people and in each of you because I am continuously born in you. My birth in you is your rebirth; My death is your resurrection; My ascension to Heaven is your elevation.**

Children, this year is about to end; it has been full of graces for you and you have progressed a lot with Me. **Not only a new year opens up before you but also a new time: the time of the rebirth of the Universe in Me. It will be a year of struggle against Satan. The final battle will begin and take place on Earth, and you will fight it with Me. The armies of God and those of Satan are already deployed: the Lamb and the Dragon face each other.**

It will be a very strong battle in spirit. I will send you to exorcise the Earth and fulfil what the Church should have accomplished from the beginning: to banish the Evil with the power of My Spirit. You cannot win this battle with your human strength, your knowledge, your preaching or your words, but only in the power of My Spirit. Now you understand why the coming year is totally consecrated to the Holy Spirit: indeed, it will be Him to support this battle in you. The Spirit of the Father and of the Son, the Third Person of the Most Holy Trinity, will fight and win, in you and around you, in the name of the Most Holy Trinity.

Children, you do not need to be afraid of anything. You have already won the battle I am speaking of at the time when you welcomed and loved Me, accepting to share with Me the cross and death. Now your resurrection and your rebirth await you.

You can see where the world is going: it is oppressed by the presence of the Evil One. **The Earth is infested by evil. The demons flee from the rebellious planets, which have been evangelised, and take refuge on your planet. Hell is concentrated on Earth, and it is at work every day. There is no other people able to counter it but you and those who have welcomed these programmes.** You know where history is leading: towards the new creation, which awaits the humanity of the whole Universe. The final battle to win the new creation will be fought here on Earth.

I told you that the strong will take possession of the Kingdom of God, but I do not mean humanly strong, violent or hard, but powerful in the Holy Spirit. This year you have consecrated yourselves solemnly to the Holy Spirit, thus confirming the work I have accomplished in you in the past years.⁷⁶ From the beginning, I have entrusted you to Saint Raphael the Archangel, the servant of the Third divine Person, who has continuously consecrated you to the Holy Spirit to prepare you for this time.⁷⁷ **By consecrating yourselves to the Holy Spirit and accepting to do it throughout the next year, you have borne witness to the work I have done in you through My instruments.**

Take courage, children; I send you with the power of the prophets, the saints, the martyrs and all those who, in the history of salvation, have fought the battle against the Dragon. **You are sent to win, and you can do it in the Holy Spirit and in the universal communion. From next year, all the power of the Universe will pour on Earth and on you.** I will launch you like arrows that come out of My Heart and My Mother's Heart. **You must be reborn for these new times, which the Earth has never seen but will see, in which the Woman will give birth to My people and defeat the Dragon forever. Mary's children will fight this**

⁷⁶ The people of the Foundation and those who join them solemnly consecrated themselves to the Holy Spirit on the Eve of the Solemnity of the Immaculate Conception, 7 December 2019.

battle, immersed in the Holy Spirit, consecrated to Me and offered to the Father.

I bless you and I entrust you to My Mother, St. Joseph and the seven Archangels. Fight together with the people of God and win this battle. **Exorcise the Earth because it needs it; because so it is written and so it will be.**

I bless you in the name of the Father, and of the Son, and of the Holy Spirit.”

Solemn Consecration to Mary Most Holy for the Year 2020

Message of Mary Most Holy of 31 December 2019, Vigil of the Solemnity of Mary, the Holy Mother of God

“Dearest Children,

On this vigil, as the people of the Foundation, you have decided to consecrate yourselves to Me throughout the coming year.⁷⁸ **You have consecrated yourselves to Me many times, as individuals and as a people, but the solemn consecration has a different value in the eyes of God: it is a solemn commitment that you take as a people before God to entrust your life to Me. I also commit Myself solemnly before God to making you all true children of God.**

As you have heard from the Gospel of John, the children of God are not born from flesh and blood or by the will of man, but from God.⁷⁹ **I want you to be reborn in God. All of you have been created by God, even those who do not believe in Him. Nevertheless, if you want to be true children of God, you need to be recreated by Him through My Son, by being washed in His Blood, which grants you a new life, redeemed from original sin and preserved from evil.**

Many people are devoted to My Heart and many practice the Christian religion, **but the true children of God are not many; they are those who accept to be reborn in God, by surrendering and immersing themselves completely in the will of God, in Jesus Christ, through My Heart. You have come to this very important stage. Therefore,**

⁷⁸ In this vigil all the people of the Foundation have solemnly consecrated themselves to Mary Most Holy to live with Her throughout the year 2020, which is consecrated to the Holy Spirit. The Foundation has also included in this consecration all those who share its path and invites all those who are awakened to unite with Mary's Immaculate Heart .

⁷⁹ See John 1,1-18

throughout the new year, I will act in a special way, united with the Holy Spirit to make you true children of God.

Children, I always act in union with the Three Divine Persons: with the Father, as His beloved and immaculate daughter to transmit His life everywhere in the Universe; with the Son, to bring redemption to all, touching the sinners with the love of My Son who lives in Me; with the Holy Spirit, of whom I am the Spouse, to awaken in people the memory of God and the will to serve Him. Only when you are regenerated in the One and Triune God, you are true children of God.

I bless you and I thank you for this solemn consecration to Me. In the coming year, the Holy Spirit will act powerfully through My Heart to awaken all the children of God who said ‘Yes’ at the moment of conception. You will help Me in this purpose. It is of no importance where you will be or what you will do because in spirit you are able to reach all spaces and all dimensions where God wants to send you. Even if you were locked in a room, in God you would be able to reach the whole Universe.

I will accompany you and support you in your mission so that, through you, the light of Life may also be lit in the people of the Earth. There are many children to recuperate, to collect from the roadsides of life where they got lost, sinking into sin and nothingness. Think of how many people will live in emptiness tonight between feasts and noise, which make no sense and lead to nothing. **They invoke upon themselves and the world all kinds of good fortune for the year to come; yet, there is no good fortune except in God.**

You have chosen to serve God, consecrating your life to Him, and now I give you My solemn blessing. With this blessing, I commit Myself before the Most Holy Trinity to making you true children of God and to never abandoning you. I promise you not to leave you until the last day of your life. And, when the moment comes for you to pass to eternity, I will come to pick you up. I give you this promise because you are My children, My people, and because I love you and you love

God. It is My wish that all of My children love the Father, the Son and the Holy Spirit as I love them.

I bless you solemnly in the name of the Father, and of the Son, and of the Holy Spirit. The peace, the blessing and the light of God may powerfully descend upon you. Through My Heart, be always faithful to God and ready to take all the paths that He will show you. I will always accompany you as your Mother and Queen; as the One who opens the path towards God.”
